Philo's writings are a comprehensive and important source of late Second Temple Judaism, and illuminate the context of First Century Christianity. However, today many find them to be rather inaccessible. Professor Borgen's book provides a key to Philo's fascinating world and makes a better understanding and appreciation possible of this great Jewish exegete and philosopher of Antiquity.

Common Core Connections: Language Arts is the perfect tool for helping first grade students master Common Core English Language Arts skills. The Common Core Standards for English Language Arts in first grade focus on many areas including: comprehending text, learning the foundations of spelling, and forming complete sentences using a growing vocabulary. This resource provides focused practice pages for targeting and reinforcing these and other first grade language arts skills while helping students connect comprehension with knowledge and application. Connecting the standards to content has never been easier with the Common Core Connections series for Language Arts. The Common Core Connections series provides teachers with the skill assessments to help determine individualized instruction needs. Focused, comprehensive practice pages and self-assessments guide students to reflection and exploration for deeper learning! Grade specific coherent content progresses in difficulty to achieve optimum fluency. It is also an ideal resource for differentiation and remediation. Each 96-page book includes an assessment test, test analysis, Common Core State Standards Alignment Matrix, and answer key.
