When it begins to look hopeless, Michael Gresham promises he will be there at her execution. He will not allow her to die alone. 30 Days of Justis is the story of a frantic father who happens to be a lawyer. But he is a lawyer without a case when she first contacts him. With gathering speed, the days tick past.

30 Days of Justis (Michael Gresham #8) by John Ellsworth

Michael Gresham meets his lost daughter, Cache, in her prison cell. She is scheduled for execution in 30 days. Her other lawyers have given up; there is nothing left to do. On a hunch, Michael reviews ancient records. He is astonished at what he finds. He goes before the appeals court. The lawyers at the other table hammer him; the judges pursue him.

She's a daughter he doesn't know he has. Until she calls him...from death row. Michael Gresham meets his lost daughter, Cache, in her prison cell. She is scheduled for execution in 30 days. Her other lawyers have given up; there is nothing left to do.

Criminal defense lawyer Michael Gresham learns that a daughter he never knew existed is on death row and desperately needs his help.

Michael Gresham and Marcel, his investigator, go on the hunt for a client's missing wife. She has been nominated to the U.S. District Court, and now she can't be found. She's an outstanding lawyer, but Chloe suffers from personality problems. Her personality splits, and an alter personality takes over. There's an accident. Chloe battles to regain her ability to think clearly and survive. She must re-learn how to recognize faces. She struggles with her competing personalities. Michael Gresham is getting closer to finding her, but then there's a shooting, and everyone becomes a target. Interwoven is the story of Michael's wife and the illness and incarceration she must endure. Verona is Russian by birth and Russia wants her back.

Lies She Never Told Me is the story of Michael Gresham's heritage, beginning with his father's father. The book features mob wars in 1920's Chicago; World War II invasions and POW camps; romance between powerful men and beautiful women; the most infamous mass murder in 1960's Chicago; and the complete growing-up story of Michael Gresham himself

James Comey, former FBI Director and New York Times bestselling author of *A Higher Loyalty*, uses his long career in federal law enforcement to explore issues of justice and fairness in the US justice system. James Comey might best be known as the FBI director that Donald Trump fired in 2017, but he 's had a long, varied career in the law and justice system. He knows better than most just what a force for good the US justice system can be, and how far afield it has strayed

Get Free 30 Days Of Justis Michael Gresham Series Book 8

during the Trump Presidency. In his much-anticipated follow-up to *A Higher Loyalty*, Comey uses anecdotes and lessons from his career to show how the federal justice system works. From prosecuting mobsters as an Assistant US Attorney in the Southern District of New York in the 1980s to grappling with the legalities of anti-terrorism work as the Deputy Attorney General in the early 2000s to, of course, his tumultuous stint as FBI director beginning in 2013, Comey shows just how essential it is to pursue the primacy of truth for federal law enforcement. *Saving Justice* is gracefully written and honestly told, a clarion call for a return to fairness and equity in the law.

For fans of *All the Light We Cannot See*, *Beneath a Scarlet Sky*, and *The Nightingale* comes a historical novel about one woman's gallant, fearless search for war crimes evidence during the most terrible times of World War II. May 1940 - Paris. On the eve of her eighteenth birthday, Claire hears the devastating news: the German army has invaded her homeland, and her beloved Paris has fallen. Within months, her life is turned upside-down. She takes in an orphaned Jewish toddler only days before her beloved German-born husband Remy is forcibly conscripted into the Nazi army. In desperation she connects with other young members of the French Resistance, determined to fight back in whatever way she can. Armed only with her wits and her 35mm camera, she looks for the one photograph that will expose the Nazi horror for what it is. When her rebellion is discovered and Claire is sent to Auschwitz, she knows her moment has arrived. A Nazi officer, hiding in the shadows of Auschwitz, commits an unspeakable atrocity, a war crime. Can Claire help bring down the beast who emerged from Auschwitz? Or will her secret evidence die with her as the SS hunts her down? *The Point of Light* is part of the Historical Fiction series, a collection of John Ellsworth wartime novels. If you love page-turners with thrills, clandestine plotting and a dash of romance, dive into these books today! From USA TODAY bestseller, John Ellsworth. AMAZON HAS SAID, "WE ARE INSPIRED BY THE SUCCESS OF THIS WRITER AND HOW HE IS DELIGHTING

READERS"--AMAZON PRESS RELEASE 10/15/18

From celebrated national leader and bestselling author Stacey Abrams, *While Justice Sleeps* is a gripping, complexly plotted thriller set within the halls of the U.S. Supreme Court. "Brilliant and mesmerizing. Abrams follows in Dan Brown ' s footprint with this masterfully plotted thriller that unfolds like the ultimate chess match—bold move to bolder move with lives hanging in the balance."—Lisa Gardner

"Stacey Abrams is a true novelist, and *While Justice Sleeps* is a first-class legal thriller, favorably compared to many of the best, starting with *The Pelican Brief*, which it brings to mind. It ' s fast-paced and full of surprises—a terrific read."—Scott Turow

Avery Keene, a brilliant young law clerk for the legendary Justice Howard Wynn, is doing her best to hold her life together—excelling in an arduous job with the court while also dealing with a troubled family. When the shocking news breaks that Justice Wynn—the cantankerous swing vote on many current high-profile cases—has slipped into a coma, Avery ' s life turns upside down. She is immediately notified that Justice Wynn has left instructions for her to serve as his legal guardian and power of attorney. Plunged into an explosive role she never anticipated, Avery finds that Justice Wynn had been secretly researching one of the most controversial cases before the court—a proposed merger between an American biotech company and an Indian genetics firm, which promises to unleash breathtaking results in the medical field. She also discovers that Wynn suspected a dangerously related conspiracy that infiltrates the highest power corridors of Washington. As political wrangling ensues in Washington to potentially replace the ailing judge whose life and survival Avery controls, she begins to unravel a carefully constructed, chesslike sequence of clues left behind by Wynn. She comes to see that Wynn had a much more personal stake in the controversial case and realizes his complex puzzle will lead her directly into harm ' s way in order to find the truth. *While Justice Sleeps* is a cunningly crafted, sophisticated novel, layered with myriad twists and a vibrant cast of characters.

Drawing on her astute inside knowledge of the court and political landscape, Stacey Abrams shows herself to be not only a force for good in politics and voter fairness but also a major new talent in suspense fiction.

What are our obligations to others as people in a free society? Should government tax the rich to help the poor? Is the free market fair? Is it sometimes wrong to tell the truth? Is killing sometimes morally required? Is it possible, or desirable, to legislate morality? Do individual rights and the common good conflict? Michael J. Sandel's "Justice" course is one of the most popular and influential at Harvard. Up to a thousand students pack the campus theater to hear Sandel relate the big questions of political philosophy to the most vexing issues of the day, and this fall, public television will air a series based on the course. Justice offers readers the same exhilarating journey that captivates Harvard students. This book is a searching, lyrical exploration of the meaning of justice, one that invites readers of all political persuasions to consider familiar controversies in fresh and illuminating ways. Affirmative action, same-sex marriage, physician-assisted suicide, abortion, national service, patriotism and dissent, the moral limits of markets—Sandel dramatizes the challenge of thinking through these conflicts, and shows how a surer grasp of philosophy can help us make sense of politics, morality, and our own convictions as well. Justice is lively, thought-provoking, and wise—an essential new addition to the small shelf of books that speak convincingly to the hard questions of our civic life.

Riveting New Series Offers Legal Suspense with a Romantic Twist In the biggest case of her career, attorney Kate Sullivan is tapped as lead counsel to take on Mason Pharmaceutical because of a corporate cover-up related to its newest drug. After a whistleblower dies, Kate knows the stakes are much higher than her other lawsuits. Former Army Ranger turned private investigator Landon James is still haunted by mistakes made while serving overseas. Trying to forget the past, he is

Get Free 30 Days Of Justis Michael Gresham Series Book 8

hired by Kate to look into the whistleblower's allegation and soon suspects that the company may be engaging in a dangerous game for profit. He also soon finds himself falling for this passionate and earnest young lawyer. Determined not to make the same mistakes, he's intent on keeping Kate safe, but as the case deepens, it appears someone is willing to risk everything--even murder--to keep the case from going to trial.

Attorney Michael Gresham has a new go-to person. Her name is Annie and she's twelve. Annie is a savant. She can look at you and, like her idol, Sherlock Holmes, tell you where you're from, whether or not you're happily married, and where you went to school. But now she must use her skills to discover who murdered her entire family, because it looks like the killer was actually looking for her. Annie must profile the killer before he kills her. It will take all of her brilliance and all of the lawyering skills of Michael Gresham. But will even that be enough? At the last minute, Annie spins out an entire universe of killers and leads Michael Gresham to their door. Now the door must be opened. ANNIE'S VERDICT is book 7 in the USA TODAY bestselling author's thrillers featuring Michael Gresham.
