The long-held consensus that the more populated and “civilized” a society, the more complex their communication may be more nuanced than previously thought. After systematically analyzing written and ...

Communicating for Results: A Canadian Student's Guide is an indigenous, core text designed to serve students studying business and professional communications at both the university and college levels. It employs a hands-on, skills-based approach to teach students to communicate with confidence and to achieve results in today's demanding workplace.

Designed to equip students with the skills for effective business communication, Communicating for Results offers practical, classroom-tested instruction not just in grammar but in the rhetorical techniques and persuasive strategies that students need to become effective writers and speakers. Supplemented with abundant group and individual activities to reinforce key principles and help students

hone their skills, this invaluable text will teach students to communicate with confidence.

In this wickedly humorous manual, language columnist June Casagrande uses grammar and syntax to show exactly what makes some sentences great—and other sentences suck. Great writing isn't born, it's built—sentence by sentence. But too many writers—and writing guides—overlook this most important unit. The result? Manuscripts that will never be published and writing careers that will never begin. With chapters on “Conjunctions That Kill” and “Words Gone Wild,” this lighthearted guide is perfect for anyone who's dead serious about writing, from aspiring novelists to nonfiction writers, conscientious students to cheeky literati. So roll up your sleeves and prepare to craft one bold, effective sentence after another. Your readers will thank you.
