THE MIDDLE OF nowhere just got a lot more interesting! Nerdy astronomy geek Marsha, M to her few friends, has never been anybody special. Orphaned as an infant and reluctantly raised by an overly-strict "aunt," she's not even sure who she is. M's dream of someday escaping tiny Jewel, Indiana and making her mark in the world seems impossibly distant until hot new quarterback Rigel inexplicably befriends her. As Rigel turns his back on fawning cheerleaders to spend time with M, strange things start to happen: her acne clears up, her eyesight improves to the point she can ditch her thick glasses, and when they touch, sparks fly—literally! When M digs for a reason, she discovers deep secrets that will change her formerly humdrum life forever . . . and expose her to perils she never dreamed of. Book 1 of the award-winning Starstruck series, where teen romance blends with science fiction to open a whole new world of action, adventure and discovery! Themes: First love, genetic attraction, clean young adult romance, first in series free, psychics, telepathy, paranormal, mars, alien love, young leadership

What started out as a strange assignment, lead to one of the most gruesome murder mysteries of our times. My friends and I are set and determined to find out who is killing off Fae and Witches alike.

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and

consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

They were the Finest Creations--mystically forged creatures of perfection sent by the creators to aid the Fallen (mankind) during their mortal existence. Though they resemble ordinary horses they are highly intelligent, capable of communicating telepathically and completely moral. They are assigned to bond with individuals of great potential and then protect them from harm while guiding them along a path of virtue. Gallant-Stallion has found his charge, a young girl by the name of Kalantha, whose brother is soon to be king and the pawn of a deceitful and murderous bishop who covets the royal power and has allied himself with creatures of the dark arts. The Finest has successfully removed her from his influence but now must contend with the other temptations of the world--the lure of power, the mystery of learning and knowledge, and the intrigue and freedom of adventure and independence. Kalantha is still young and bitter over her lot in life, betrayed, envious, and scared, and her mentor Gallant-Stallion is unsure of how to lead her as is his duty as her Finest. The Finest series combines elements of Misty Lackey's Valdemarr series with C.S.Lewis's Narnia for an inspiring tale of mystical intrigue and the crucible of morality for mankind. At the publisher's request, this title is being sold without Digital Rights Management software (DRM) applied.

"If this series goes as hot as we think it is, it will be better than Twilight! Stephenie Meyer, look out!" ~Young Readers Group of Maine
SADIE I've dreamt of the mysterious faceless boy with shimmering eyes since I was little. But that's all he ever was... a dream. Then I almost died. When I woke up, there he was. Rayne is definitely real... and gorgeous. I feel like I've known him forever, but I have no idea why. Who is he? All he will tell me is that he's a Water Keeper, tasked with using Healing Water to help the sick and hurt. But he's been assigned to me. Only me. My own irresistible bodyguard. But, why? What is he protecting me from? I'm just a normal high school girl. Or am I? RAYNE I have a duty--to protect Sadie from a secret world she knows nothing about, or her place in it. I can't get emotionally involved. The risk is too great. I'm not even supposed to speak to her. But then there was the accident. I thought I was going to lose her, and I can't lose her. But I can't have her either. I have to be strong. But, the way she looks at me... the way she makes me

feel... No. I have to resist. I've sworn an oath I can't ever break. Sadie has the perfect life. But everything turns upside down when she's rescued by a mysterious boy who won't even tell her his name. As Sadie pushes for answers, she realizes her life isn't as perfect as she thought. Not only is she caught in a world of dangerous secret agents she never knew existed, but it turns out her true identity may be the greatest secret of all.

East Village, 1989 Things had never been easy between Ava Fisher and her estranged mother Ilse. Too many questions hovered between them- Who was Ava's father? Where had Ilse been during the war? Why had she left her only child in a German orphanage during the war's final months? But now Ilse's ashes have arrived from Germany, and with them, a trove of unsent letters addressed to someone else unknown to Ava- Renate Bauer, a childhood friend. As her mother's letters unfurl a dark past, Ava spirals deep into the shocking history of a woman she never truly knew. Berlin, 1933 As the Nazi party tightens its grip on the city, Ilse and Renate find their friendship under siege- and Ilse's increasing involvement in the Hitler Youth movement leaves them on opposing sides of the gathering storm. Then the Nuremberg Laws force Renate to confront a long-buried past, and a catastrophic betrayal is set in motion. . . . An unflinching exploration of Nazi Germany and its legacy, Wunderland is at once a powerful portrait of an unspeakable crime history and a page-turning contemplation of womanhood, wartime, and just how far we might go in order to belong. Praise for Wunderland "Engrossing . . . Epstein reveals the devastating choices these women make."-Real Simple "Wunderland is both an engrossing family drama and a foray into a dark period of history . . . a wholly original angle to the WWII novel. You'll read it in one shivered sitting."-Refinery29 "A vividly written and stark chronicle of Nazism and its legacies."-Kirkus Reviews(starred review) "A wealth of history turns Wunderland into a novel that's both beautiful and devastating. . . . Epstein taps into the 1930s prewar era, laying out an unsparing narrative that details tragic events and horrifying legacies . . . opening a new door that may lead to redemption and joy for future generations."-BookPage(starred review) " A heartbreaking historical tour de force . . . Man's inhumanity to man-and the redemptive power of forgiveness-is on stark and effective display in Epstein's gripping novel, a devastating tale bound for bestseller lists."-Publishers Weekly(starred review)

I thought things couldn't get worse. I was wrong. I found out what I really wanted and was forced to give him up. Just as I found out who I really am, I was presented to the elusive Horde King as a gift. This was the mystical being I was hidden from for more than twenty years. Although Ryder promised to save me, I couldn't let him get near this creature, so I willingly (sort of) signed myself over to be his new plaything. Now in the Horde Realm, nothing is going remotely like I thought it would. My powers and emotions are on the fritz, and each day seems to bring surprises that I am not sure how to deal

Bookmark File PDF A Princess Ariana Awakening Paranormal Fantasy A Carnal Desires Awakened Fantasy Enslavement Ogre with The Horde King thinks he has me exactly where he wants me. He thinks he has taken all of my options away. I still have choices. Embracing what destiny has planned for me, or escaping it.

The searing, visionary memoir of founding Black Panther Huey P. Newton, in a dazzling graphic package Tracing the birth of a revolutionary, Huey P. Newton's famous and oft-quoted autobiography is as much a manifesto as a portrait of the inner circle of America's Black Panther Party. From Newton's impoverished childhood on the streets of Oakland to his adolescence and struggles with the system, from his role in the Black Panthers to his solitary confinement in the Alameda County Jail, Revolutionary Suicide is unrepentant and thought-provoking in its portrayal of inspired radicalism. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Less than six months ago my life was twisted and flipped on its side. Things have changed so much I barely recognize myself anymore. I am no longer an Enforcer. I am no longer a Witch. I no longer hate the Fae. (For the most part) And the sex-on-a-stick-gorgeous-Fae? He isn't really the Dark Prince. No, he is the father of my children and with the babies on the way, the land dying and the Mages closing in; alliances will have to be formed if we are all to make it through the war that is coming to our front door. Between warring Gods and Goddesses, how are any of us supposed to win? The Fae Chronicles reading order is as follows. Fighting Destiny Taunting Destiny Escaping Destiny Seducing Destiny

Celeste was a shifter. What's the worst part of being a snow leopard shifter? It wasn't the epic-sized hairballs or the constant nudity. No, it was the fear. The fear of being captured and becoming another statistic, another underground prize. When an unintentional rescue results in some accidental consequences, Celeste knows that the sunny-natured Reese will have her back. However, she didn't plan on his best friends being quite so hostile, or the fact that Reese was one of the youngest billionaires in the US. His friends look at her and see just another gold digger; one they want gone by any means necessary. Fine, she hadn't planned on staying anyway, but while she was here, she was happy to play cat and mouse with Lincoln, the jacked-up bodyguard and Vincent, the way too pretty rockstar. Because her snow leopard? She wanted to roll around on them like they were catnip and she'd never been great at self-denial. But death still waits in the shadows for its prize, and this time, there will be no accidental savior coming to her rescue.
