Sometimes all a woman needs is a great pair of shoes – sometimes chocolate is the swiftest route to happiness. In this beautifully produced collection of drawings specifically for women, Edward Monkton brings together some of his best-known musings in his own quirky and inimitable style. It's the perfect gift for mothers and for women of all ages.

Using a vast array of vintage memorabilia, this beautiful full-color novel, told in the form of a scrapbook, follows Frankie Pratt who, dreaming of becoming a writer in 1920, goes to Vassar, which becomes a stepping stone to an international adventure until a family crisis forces her to come home. 40,000 first printing.

I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

This book delves into the early days of electrical appliance development when many novel and little known appliances were made. The manufacture and operation of some of these inventions encountered seemingly insurmountable problems at the time - the first toaster, for example, would often shoot the toast high into the air, and the toast was occasionally on fire - but many are now revived in some of the latest appliances we use today. This is an ideal one-stop informative book which looks at every aspect of early electrical appliances, from the Harness electropathic corset and head-ache curing electric hairbrush of the Victorian fashion world to the tea parties at which guests watched vacuum-cleaning displays.

Commissar Ciaphas Cain, hero of the Imperium, and his regiment are deployed to the ice world of Frigidia to quell unrest amongst mine workers. But a malevolent evil stirs deep in the ice caves. Original.

After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend , and her soul makes a first step to healing.
