After the incredible success of Animal, K'wan is back with the second, bloody installment in the new Animal saga. Secrets are revealed, sides are chosen and bodies are dropped...it's on! The man ordered to take Animal from the world turns out to be the man who brought him into it. Animal finds himself torn between his hatred for the father who had abandoned him and the man who had taken everything from him. An uneasy truce is formed between father and son to take down a common enemy and finally grant Animal his freedom from the blood debt he's carried for so many years. But when the ghosts of Animal's past catch up with him he learns that nothing is what it seems, and everything is subject to corruption, even his love for Gucci.

When the Grand Design is finally revealed it will spell the last ride for Mr. Armed and Brokenhearted. In this final installment of the widely popular "Animal" series, we find our anti-hero on a hunt for the woman who forced him to pick his guns back up when she burned his entire world down. The traitorous, Red Sonja. She alone holds the key to saving his children and avenging his murdered wife, Gucci, but first he has to find her. To do this, Animal reassembles his old gang: The Dog Pound for what will prove to be their most dangerous mission yet. The stakes are higher than ever and not everyone is expected to make it, but the members of the Pound readily accept the task and the risks that come with it. With his old friends, and a few new ones, Animal is on the hunt for his elusive prey. Then the unthinkable happens and there is an earth-shattering discovery that will change everything, including loyalties. Meanwhile, the Black Lotus finds herself a prisoner in a place she had once called home. Having been branded a traitor by the Brotherhood of Blood, she is remanded to the mountain fortress while awaiting trial for the crimes she stands accused of. Unbeknownst to her, there are some within the Brotherhood who would rather see her dead than exonerated. Kahllah has unearthed a dark conspiracy which could

clear her name, but at the cost of destroying the Brotherhood of Blood, which makes her a threat to the conspirators and a moving target. The hunter finds herself the hunted and her only chance of surviving the mountain will be to place her fate in the hands of an unlikely champion. The table is set finally set and the meal served. Pull up a chair, because this will be the "Last Supper."#TeamAnimal

"K'wan does a masterful job of keeping readers on their toes right up to the very last page.'-Publishers Weekly Animal 4 Re-Issue featuring Bonus material. From the moment Animal's former lover Red Sonja showed up on his doorstep, he knew trouble wouldn't be far behind. It wasn't because the last time he'd seen her, he had been fleeing for his life from a strange island. Nor was it because of the little girl she had in tow, claiming Animal was the father. It was because women like Red Sonja carried trouble around with them like designer purses. He knew getting involved with Sonja again would come at a price, but he had no idea how steep the price would be until it was too late. With his wife gone and his children abducted by a ruthless drug cartel, Animal must lead a suicide mission into the lair of one of the most dangerous assassins in the world, a woman who calls herself Tiger Lily. To go against Tiger Lily and the cartel Animal would need an army, so the call to arms is put out and the streets readily answer. Leading a handful of loyal souls against seemingly insurmountable odds, Animal races against the clock to save his children and put a stop to Tiger Lily and the cartel's plans, while trying to stay one step ahead of the two detectives following the trail of bodies. Things take an unexpected turn when Animal learns a dark truth hidden beneath what he had been led to believe that changes everything, including who can be trusted. When the Grand Design his father had always spoken of is finally revealed Animal will be forced to make the hard choice between love, loyalty, and vengeance.

Tayshawn Torres' mother is a notorious drug addict, more concerned with getting her next high than she is with his well-being. Due to his squalid appearance, Tayshawn becomes the object of ridicule by neighbourhood kids who give him the nickname 'Animal'. The only person to ever show him the slightest bit of kindness is his older brother, Justice. However, Justice gets taken away, leaving him alone in the streets. Gradually, the layers of the frightened child he had been are stripped away until there is nothing left of Tayshawn and all that remains is Animal.

After making a promise to leave the street life behind, a shocking revelation forces Animal back into the game to face his greatest opponent yet. When Animal's former lover, Red Sonja, shows up on his doorstep with a little girl, claiming Animal is the father, he and Gucci immediately fear it's a ploy for money. But Red Sonja has come to collect a debt of a different kind, one that can only be paid in blood. A powerful man is hunting Red Sonja and her daughter, Celeste, and she calls on Animal to stop him,

permanently. Animal is forced to break the promise he made to his wife upon his release from prison and once again picks up his guns. To keep his daughter and her mother safe, Animal sets out on a mission of murder, but this isn't just any man Red Sonja has sent him after, it's one of the most powerful drug dealers in the country...her father.

After the deaths and arrests of his entire crew and an informant-fueled investigation into his past, the man known on the streets as Animal relocates to Texas and finds fame and stardom as the newest act signed to the notorious Big Dawg Entertainment. His girlfriend, Gucci, is thrilled when she gets the news that he's coming back to New York on a promotional tour, but when she discovers the hidden agenda behind his homecoming nothing can prepare her for the life-altering consequences that will come of it. There goes the neighborhood . . . again.

The first book of legal advice for the hip hop generation, Covering areas ranging from how to secure the best public defender to what to do when driving DWB, this is a step-by-step guide to the criminal system for those who need it most written by a criminal defense attorney who knows this world from the inside out. A counterpoint to the Law and Order justice the public sees and believes in. This is the real criminal justice system, as told from someone inside, someone fights it ever day. This is not a manual for how to get off, how to be a better criminal. It is proof that the system will eat you up and spit you out if you dare to become involved or think you can beat it. Raw Law authoritatively addresses the legal issues faced by the hip hop generation, and offers a simple guide on how to avoid certain situations and how to learn and respond to others. Here readers will learn the truths and untruths of the justice system and how they can protect themselves from the worst of it. But most of all, they will learn how to follow the first rule of the criminal justice system: AVOID IT AT ALL COSTS.
