Wifeshopping centers on the ultimate human quest: the search for companionship, love, and understanding. These captivating stories feature American men, love-starved and striving, who try and often fail to connect with the women they imagine could be their wives. Some of the women are fiancé es, some are new girlfriends, some are strangers who cross the men ' s paths for only a few hours or moments. In " Beaching It, " an artist traveling on the summer circuit begins an affair with a rich, married local. In " Me and Paul, " a lonely traveler adopts an alter ego to help him impress a single mother. In " Bill, " a trip to a flea market highlights the essential differences between a man and his fiancé e. Throughout this thoroughly entertaining

The world of melodic jazz banjo soloing is revealed in this comprehensive method which leads a student from basic intervals to advanced theoretical concepts and finally to a firm foundation in jazz fundamentals.

Included are over 90 exercises and examples written in both tablature fingerings and standard music notation which show how scales and arpeggios are used and how they apply to real playing situations. Every five-string banjoist can benefit from the information contained in this breakthrough volume whether they aspire to jazz or just want to find out more about the possibilities and structure of the banjo. Audio CD

included. Starting with basic intervals, Straight-Ahead Jazz for Banjo shows the structure of all basic chord types and qualities and matches these to the scales that generate them. the book's basic concept model is to treat the five-string banjo's potential in an inclusive technical context so that the student can make use of open and fifth strings to create a smooth legato style. Each of the 90+ exercises are recorded with a metronome and progress to 16 additional examples of original jazz phrases in a variety of keys. Topics include functional major and minor key harmony, diminished and augmented scales and how they are used, and the integration of altered scale substitutes in the art of jazz improvisation. It stresses listening and

When it comes to love there's no such thing as conventional. Everyone thinks Colton Neely is special. Lilly Evans just thinks he's fascinating. Once friends when they were younger, their bond is cut short due to her accident prone nature and they go their separate ways. Years later, they meet again and Lilly learns that there is something special about the boy she once knew, but she has no idea what it all means. And she's not sure if she's ready to find out. When he walks through the corridor of her school the first day of her senior year, she knows that it's time to get to know the

real Colton Neely. The more she learns, the deeper she falls. Their friendship grows into love, even as Colton does not express it in words. But one decision threatens to break down the world that Lilly has tried so hard to integrate into and she must figure out if the relationship can survive if they are apart.

This is the first English translation of works attributed to Abu Madyan, a seminal figure of Sufism in Muslim Spain and North Africa. The oeuvre includes doctrinal treatises, aphorisms, and poetical works, and so introduces readers to several of the most important genres of religious writing in Islamic Middle Period.
