THE BLOCKBUSTER HIT—Over two million copies sold! A New York Times, USA Today, Wall Street Journal, and Publishers Weekly Bestseller Look for Lisa Wingate ’ s powerful new historical novel, The Book of Lost Friends, available now! " Poignant, engrossing. " —People " " Lisa Wingate takes an almost unthinkable chapter in our nation ’ s history and weaves a tale of enduring power. " —Paula McLain Memphis, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family ’ s Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children ’ s Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility ’ s cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family ’ s long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America ’ s most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate ’ s riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly ’ s #3 Longest-Running Bestseller of 2017 " Winner of the Southern Book Prize " If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantyboat life.

Anita de la Torre never questioned her freedom living in the Dominican Republic. But by her 12th birthday in 1960, most of her relatives have emigrated to the United States, her T i o Toni has disappeared without a trace, and the government ’ s secret police terrorize her remaining family because of their suspected opposition of el Trujillo ’ s dictatorship. Using the strength and courage of her family, Anita must overcome her fears and fly to freedom, leaving all that she once knew behind. From renowned author Julia Alvarez comes an unforgettable story about adolescence, perseverance, and one girl ’ s struggle to be free.

Zoe knows that it wasn't really her fault. Of course it wasn't. But if she'd just grasped harder, run faster, lunged quicker, she might have saved him. And Edward doesn't really blame her, though his bitter words at the time still haunt her, and he can no more take them back than she can halt the car that killed their son. Two years on, every day is a tragedy. Edward knows they should take healing steps together, but he's tired of being shut out. For Zoe, it just seems easier to let grief lead the way. A weekend in Paris might be their last hope for reconciliation, but mischance sees them separated before they've even left Gare du Nord. Lost and alone, Edward and Zoe must try to find their way back to each other—and find their way back to the people they were before. But is that even possible?

In a treatment center for eating disorders, teenagers Shoshana and Rowan develop an intense, sometimes destructive connection. Ultimately, the girls will have to make a choice: get healthy on their own—or stay sick together.

From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist " missed connection " post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn' t stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn' t see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn' t know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I ' ve spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

The compelling, poignant true stories of victims of a notorious adoption scandal—some of whom learned the truth from Lisa Wingate ’ s bestselling novel Before We Were Yours and were reunited with birth family members as a result of its wide reach From the 1920s to 1950, Georgia Tann ran a black-market baby business at the Tennessee Children ’ s Home Society in Memphis. She offered up more than 5,000 orphans tailored to the wish lists of eager parents—hiding the fact that many weren' t orphans at all, but stolen sons and daughters of poor families, desperate single mothers, and women told in maternity wards that their babies had died. The publication of Lisa Wingate ’ s novel Before We Were Yours brought new awareness of Tann ’ s lucrative career in child trafficking. Adoptees who knew little about their pasts gained insight into the startling facts behind their family histories. Encouraged by their contact with Wingate and award-winning journalist Judy Christie, who documented the stories of fifteen adoptees in this book, many determined Tann survivors set out to trace their roots and find their birth families. Before and After includes moving and sometimes shocking accounts of the ways in which adoptees were separated from their first families. Often raised as only children, many have joyfully reunited with siblings in the final decades of their lives. Christie and Wingate tell of first meetings that are all the sweeter and more intense for time missed and of families from very different social backgrounds reaching out to embrace better-late-than-never brothers, sisters, and cousins. In a poignant culmination of art meeting life, many of the long-silent victims of the tragically corrupt system return to Memphis with the authors to reclaim their stories at a Tennessee Children ’ s Home Society reunion . . . with extraordinary results. Advance praise for Before and After " In Before and After, authors Judy Christie and Lisa Wingate tackle the true stories behind Wingate ’ s blockbuster Before We Were Yours, or of the orphans who survived the Tennessee Children ’ s Home Society. With a journalist ’ s keen eye and a novelist ’ s elegant prose, Christie and Wingate weave together the stories that inspired Before We Were Yours with the lives that were changed as a result of reading the novel. Readers will be educated, enlightened, and enraptured by this important and flawlessly executed book. " —Pam Jenoff, author of The Orphan ’ s Tale and The Lost Girls of Paris

\*Two siblings take you on an endearing, whimsical journey, as they deal with the concept of where they were before they were born! \*Beautiful, full page illustrations \*Bonus cookie recipes

Adventure is the last thing on Andrea Henderson's mind when she moves to Moses Lake. After surviving the worst year of her life, she's struggling to build a new life for herself and her son as a social worker. Perhaps in doing a job that makes a difference, she can find some sense of purpose and solace in her shattered faith. For new Moses Lake game warden Mart McClendon, finding a sense of purpose in life isn't an issue. He took the job to get out of southwest Texas and the constant reminders of a tragedy for which he can't forgive himself. But when a little girl is seen with the town recluse, Mart and Andrea are drawn together in the search for her identity. The little girl offers them both a new chance at redemption and hope—and may bring them closer than either ever planned.

If war is madness, how can love survive? Yugoslavia, summer 1979. A new village. A new life. But eight-year-old Miro knows the real reason why his family moved from the inland city of Knin to the sunkissed village of Ljeta on the Dalmatian Coast, a tragedy he tries desperately to forget. The Ljeta years are happy ones, though, and when he marries his childhood sweetheart, and they have a baby daughter, it seems as though life is perfect. However, storm clouds are gathering above Yugoslavia. War breaks out, and one split-second decision destroys the life Miro has managed to build. Driven by anger and grief, he flees to Dubrovnik, plunging himself into the hard-bitten world of international war reporters. There begins a journey that will take him ever deeper into danger: from Dubrovnik, to Sarajevo, to the worst atrocities of war-torn Bosnia. Miro realizes that even if he survives, there can be no way back to his earlier life. The war will change him, and everyone he loves, forever. (P)2016 Headline Digital

From New York Times bestselling author Eric Jerome Dickey, " one of the most successful Black authors of the last quarter-century " " comes a novel about the how one chance meeting can change everything in this thrilling, sexy tale of star-crossed lust. They say the love of money is the root of all evil, but for Ken Swift, it's the love of a woman. Ken is twenty-one, hurting people for cash to try to pay his way through college, when he lays eyes on Jimi Lee, the woman who will change the course of his entire life. What's meant to be a one-night stand with the Harvard-bound beauty turns into an explosion of sexual chemistry that neither can quit. And when Jimi Lee becomes pregnant, their two very different worlds collide in ways they never could have anticipated. Passion, infidelity, and raw emotion combine in Eric Jerome Dickey's poignant, erotic portrait of a relationship: the rise, the fall, and the scars —and desire —that never fade. "The New York Times
