Something inside told me that she was the one. But could I trust that little voice inside?

Why We Do

If anything, I should have distrusted it, for I'd only recently broken up with my high school sweetheart. So what did that little voice and I really know? // Can we trust that voice inside that tells us he or she is

back from a recent trip of his to Hawaii, I jotted a note to Carla along with the cryptic note

"Rock n Roll," one of those crazy guy-girl college functions at a skating rink, where the small group Carla was leading and the group of guys that grabbed me decided to gather. Truth be told, I had looked

But like most hot-blooded college males, at the time I was willing to make an exception if the prospect of picking up a great woman was involved. As a joke, the DJ played one of
