Book Summary: Natural resources such as forests and fisheries play a larger role in the national income and wealth of less developed economies. This handbook is designed to serve as a guide for champions and practitioners engaged in the task of mainstreaming poverty-environment linkages into national development planning.

Download Mainstreaming Poverty Environment Linkages Into ...

Microfinance and Poverty Reduction by Susan Johnson and Ben Rogaly This book takes a pretty sophisticated and analytical approach to solving the issue of poverty, but it's well worth wading into. It considers various types of microfinance schemes and compares the effectiveness of different approaches in aiding poverty reduction.
