People still whisper about ghosts and bad luck, Vaastu and Feng Shui. Maybe it's all Karl Marx's fault. (All that cussing.) Capitalism, he said, "has conjured up such gigantic means of production and of exchange, that it is like the sorcerer who is no longer able to control the powers of the nether world whom he has called up by his spells".

Capitalism: A Ghost Story - An Evening with Arundhati Roy ...

Capitalism: A Ghost Story (2014) is a short collection of polemical essays from Booker prize winning writer, Arundhati Roy. Though they vary in scope, each essay is a biting denouncement of the ravenous capitalism that is consuming modern India, sweeping aside the many that stand in its way. In a country where one hundred people own assets equivalent to a quarter of the country's GDP, this is an important topic at an important time and, for Roy, everyone and everything is a target, from ...
