Book review: Confessions of an American Sikh by Gursant Singh I had opportunity to read this interesting book recently. Not knowing the author from any of his past writings I was apprehensive to start reading a large book. However I was pleasantly surprised to find how reader friendly his style was.

American Sikh. Gursant's encounters with crooked lawyers, corrupt cops and the enigmatic Indian legal system lead him from the radiant spirituality of Amritsar's Golden Temple, through labyrinthine back streets, chaotic lawyers' offices and the Amritsar Police station to the tranquility of an isolated yoga ashram in the foothills of the Himalayas. On the way, we meet an exotic cast of characters. Some venal and manipulating, others compassionate and generous; all of whom bring to life the contradictions, idiosyncrasies and excitement of 21st Century India. Gursant chronicles his adventures in a fast-moving, warts-and-all style to give the reader a searingly honest picture

Confessions Of An

of his own spiritual loss of innocence. It was during my time in the Amritsar Central Jail that I thought of writing this book. As soon as I had Internet access, I began to research what it might take to create a written record of my experiences. In effect, this book was created as it happened and certainly before I knew how it would finish. My hope was that I could help others to learn from my experiences; not only those in India, but also those within the 3HO spiritual organization to which I devoted thirty years of my life. India can be fun, entertaining and spiritually inspiring; at the same time it can be harsh and unforgiving, especially if you fall foul of the law, as I did. The spiritual path of the seeker can

Confessions Of An

provide endless inspiration and satisfaction. But, like India, it can bring you face to face with your deepest fears and weaknesses. It is my fervent hope that others will learn from my mistakes and perhaps deepen their own spiritual experience by reading about what I had to go through. Thus this book is the story of my spiritual coming of age; my loss of innocence, if you will. I wish to offer my deepest gratitude to Akal Purkh, Waheguru, the Creator and Sustainer of the incredible universe in which we live. Let me also give thanks to Guru Nanak Sahib and his nine illustrious human successors. It is the grace of Guru Nanak that brought me to his teachings and it was his kindness that enabled

me to find the true path of Sikhi. Finally I humbly offer obeisance to Siri Guru Granth Sahib, the word of God and living Guru for all Sikhs. Gursant Singh

Premka: White Bird in a Golden Cage is a compelling and beautifully unfolding tale, offering a haunting look into a teacher/student relationship. This intimate memoir, written by one of Yogi Bhajan's prized teachers and exalted students, is full of devotion, love, dedication, betrayal, loss and the healing unification of the self. It also reads as a love letter to a unique time in history-the '60s in Los Angeles and New Mexico, where love, music, art, spiritual exploration, often led to self-

transformation. As a historical treatise and a spiritual mystery, this book offers unique insight into the origins of the Western Sikh movement and the proliferation of Yogi Bhajan's kundalini yoga.

'If people have lost their lives in a storm, it is a different matter; but how can a massacre be forgotten? Especially when there's been no justice?' The three days of 1984, when over 3000 Sikhs were slaughtered, have indelibly marked the lives of thousands more who continue to exist in a twilight of bitterness and despair. It was outrage at this state of affairs that led Jarnail Singh—an unassuming, law-abiding journalist—to throw his

Confessions Of An

shoe at Home Minister P. Chidambaram during a press conference in New Delhi. He readily acknowledges that this was not an appropriate means of protest, but asks why, twenty-seven years after the massacres, so little has been done to address the issues that are still unresolved and a source of anguish to the whole community. *I Accuse . . .* is a powerful and passionate indictment of the state's response to the killings of 1984. By exploring the chain of events, the survivors' stories and the continuing shadow it casts over their lives, Singh seeks answers to some relevant questions. Who initiated the pogrom and why? Why did the state apparatus allow it to

Bookmark File PDF Confessions Of An

happen? Why, despite the many commissions and committees set up to investigate the events, have the perpetrators not been brought to book? Because, finally, 1984 was not an attack on the Sikh community alone; it was an attack on the idea at the very core of democracy—that every citizen, irrespective of faith and community, has a right to life, security and justice.

Presents an expose of international corruption activities as reported by some of the world's top assassins, journalists, and activists, in a cautionary report that makes recommendations for safeguarding the world.

The memoirs of a Tibetan freedom fighter who fought in the resistance against the Chinese occupation of Tibet in the 1950s, centered on his moral progression under the influence of the Dalai Lama from vengeful violence to compassion and forgiveness. The active resistance to the Chinese invasion of Tibet coalesced into a guerrilla army of freedom fighters, the Chushi Gangdruk. In the 1950s, China's Red Army and communist cadres systematically slaughtered hundreds of thousands of Tibetans in Amdo and Kham, seeking to enslave the survivors. The freedom fighters waged war against overwhelming odds, losing to greater numbers, airplanes, and artillery. Fleeing to central Tibet, they helped their

beloved Dalai Lama escape the 1959 massacre of Lhasa, to speak for his people in exile. Paljor Thondup's diehard Khampa family also rose up to repel the invaders. They fought their way west through the whole thousand-mile length of Tibet, withdrawing to sanctuary in the Mustang region of Nepal. The Chushi Gangdruk, with modest CIA support, also regrouped their guerrilla army in Mustang. Eventually, certain new leaders became corrupt and gave up the fight, content with inaction to keep supplies coming. They hated the ongoing heroic raiding by Paljor's family, and finally slaughtered them all--only Paljor and his close cousin Dupa survived. Hearing his father's dying wishes, Paljor put down his

Weapons and changed his life, migrating to India to seek help from the Dalai Lama. Paljor and Dupa then began a modern education, to continue the struggle for Tibet as businessmen. Inspired by the Dalai Lama, Paljor renounced his tribal duty of blood vengeance, became a peace warrior, and conquered the inner enemy. He brings help to Tibet in its agony, sustaining the livelihoods of his long-suffering compatriots.

Confessions Of An

herself from the traditional Sikh community of her childhood, preferring a more independent (that is, Western) life. When her father's death leaves the family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a "creative writing" course at the community center in the beating heart of London's close-knit Punjabi community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki realizes that beneath their white dupattas, her students have a wealth of fantasies and memories. Eager to

liberate these modest women, she teaches them how to express their untold stories, unleashing creativity of the most unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community's "moral police." But when the widows' gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared among friends, it sparks a scandal that threatens them all.

Walsch, author of the internationally bestselling Conversations with God series had another conversation.

Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God

Bookmark File PDF Confessions Of An

offers her is: "Nothing you do will ever be okay with everybody.

'Everybody' is a large word. The real question is can you have sex and have it be okay with you?"

There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens.

Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

A true adventure story of spiritual search. The author leads us through the dark side of religion-- Sorcery--betrayal--torture--insanity--and war--then out the other side, into a new, startling and
