In Scarpetta, Patricia Cornwell has a character as strong as any in popular fiction” —Wall Street Journal New York Times bestselling author Patricia Cornwell delivers the newest engrossing thriller in her high-stakes series starring medical examiner Dr. Kay Scarpetta. Depraved Heart: “ Void of social duty and fatally bent on mischief. ” —Mayes v. People, 806 III. 306 (1883) Dr. Kay Scarpetta is working a suspicious death scene in Cambridge, Massachusetts when an emergency alert sounds on her phone. A video link lands in her text messages and seems to be from her computer genius niece Lucy. But how can it be? It ’ s clearly a surveillance film of Lucy taken almost twenty years ago. As Scarpetta watches she begins to learn frightening secrets about her niece, whom she has loved and raised like a daughter. That film clip and then others sent soon after raise dangerous legal implications that increasingly isolate Scarpetta and leave her confused, worried, and not knowing where to turn. She doesn ’ t know whom she can tell—not her FBI husband Benton Wesley or her investigative partner Pete Marino. Not even Lucy. In this new novel, Cornwell launches these unforgettable characters on an intensely psychological odyssey that includes the mysterious death of a Hollywood mogul ’ s daughter, aircraft wreckage on the bottom of the sea in the Bermuda Triangle, a grisly gift left in the back of a crime scene truck, and videos from the past that threaten to destroy Scarpetta ’ s entire world and everyone she loves. The diabolical presence behind what unfolds seems obvious—but strangely, not to the FBI. Certainly that ’ s the message they send when they raid Lucy ’ s estate and begin building a case that could send her to prison for the rest of her life. In the latest novel in her bestselling series featuring chief medical examiner Dr. Kay Scarpetta, Cornwell will captivate readers with the shocking twists, high-wire tension, and cutting-edge forensic detail that she is famous for, proving yet again why she ’ s the world ’ s #1 bestselling crime writer.

Kay Scarpetta accepts an assignment in New York City, where she learns the story of Oscar Bane, an injured psychiatric patient who claims he was attacked by a stalker who was killing someone else at the time.

The legendary, No. 1 bestselling series following Dr. Kay Scarpetta

Returning to Cambridge after witnessing one of the worst mass killings in U.S. history, an exhausted Scarpetta investigates the murder of a young graduate student who is subsequently linked to bizarre homicides in Washington, D.C., where Scarpetta’s FBI agent husband is tracking down a serial killer. “ When it comes to the forensic sciences, nobody can touch Cornwell. ” —New York Times Book Review [PLEASE BOX:] CHAOS From the Ancient Greek (κενός or κῆρα) A vast chasm or void. Anarchy. The science of unpredictability. On a late summer evening in Cambridge, Massachusetts, Dr. Kay Scarpetta and her investigative partner, Pete Marino, respond to a call about a dead bicyclist near the Kennedy School of Government. It appears that a young woman has been attacked with almost superhuman force. Even before Scarpetta ’ s headquarters has been officially notified about the case, Marino and Scarpetta ’ s FBI agent husband, Benton Wesley, receive suspicious calls, allegedly from someone at Interpol. But it makes no sense. Why would the elite international police agency know about the case or be interested? It soon becomes apparent that an onslaught of harassment might be the work of an anonymous cyberbully named Tailend Charlie, who has been sending cryptic communications to Scarpetta for over a week. Even Lucy, her brilliant tech-savvy niece, can ’ t trace who it is or how this person could have access to intimate information. When a second death shocks Scarpetta to her core, it becomes apparent she and those close to her are confronted with something far bigger and more dangerous than they ’ d ever imagined.

Discover the “ dazzling...fascinating ” (Los Angeles Times) forensic thriller that launched the New York Times bestselling Kay Scarpetta series from #1 bestselling crime writer Patricia Cornwell. Under cover of night in Richmond, Virginia, a monster strikes, leaving a gruesome trail of stranglings that has paralyzed the city. Medical examiner Kay Scarpetta suspects the worst: a deliberate campaign by a brilliant serial killer whose signature offers precious few clues. With an unerring eye, she calls on the latest advances in forensic research to unmask the madman. But this investigation will test Kay like no other, because it ’ s being sabotaged from within—and someone wants her dead.

The New York Times bestselling Brit in the FBI series continues with this thrilling “ popcorn movie in print form ” (Associated Press) pitting special agents Nicholas Drummond and Michaela Caine against a private French space agency that has the power to end the world as we know it. Galactus, France ’ s answer to SpaceX, has just launched a communications satellite into orbit, but the payload actually harbors a frightening weapon: a nuclear bomb that can trigger a massive electromagnetic pulse (EMP). When the satellite is in position, Galactus ’ s second-in-command, Dr. Nevaeh Patel, will have the power to lay waste to the world. A former astronaut, Patel believes she is following the directions of the Numen, aliens who saved her life when she space-walked outside the International Space Station. She is convinced that with the Holy Grail—just discovered by the owner of Galactus, eccentric treasure hunter Jean-Pierre Broussard—she can be reunited with the Numen, change the world ’ s destiny, and become immortal with them. The countdown has begun when Special Agents Nicholas Drummond and Michaela Caine are thrown into the pending disaster. They must stop the EMP that would wreak havoc on communication and electronic systems on Earth, resulting in chaos and anarchy. With their high-octane and suspenseful prose, “ Coulter and Ellison are a thriller writer ’ s dream team, and The Last Second is some of their best work yet ” (The Real Book Spy).

Dr. Kay Scarpetta is working a highly suspicious death scene in Cambridge, Massachusetts, when an emergency alert sounds on her phone. A video link seems to be from her niece Lucy. But how can it be? It s clearly a surveillance film of Lucy taken almost twenty years ago. As Scarpetta watches she comes to grips with frightening secrets about her niece. That first clip and others sent soon after raise dangerous implications that increasingly isolate Scarpetta and leave her confused, alarmed, and not knowing where to turn. The diabolical presence and singularly depraved heart behind what unfolds seems obvious but strangely, not to the FBI. Certainly that s the message they send when they start harassing Lucy and begin building a case that could send her to prison for the rest of her life. In the latest novel in her bestselling series featuring medical examiner Dr. Kay Scarpetta, Cornwell captivates readers again with the jolting twists, high-wire tension, and cutting-edge forensic detail for which she is renowned, proving yet again why she is the world s number one bestselling crime writer.”
