A Dictionary of modern painting. (Book, 1956) [WorldCat.org]

The aim of this book is to give a simple and reliable account of modern painting from the Impressionists up to our own time. It is the joint work of a number of art critics, mostly French; but though it comes from Paris, the vital centre of most modern movements in art, the editors have been at pains to maintain a broad outlook and describe painting activities outside France.
