Sales legend Bill Cates uses his experience and expert knowledge to show sales professionals how to work smarter (not harder) by employing "The Four Cornerstones of Referrals" --relationship building and customer service, creating referral alliances and networks, prospecting, and targeting niche markets. Using Cates's easy-to-master referral-based selling techniques, readers: Work less and earn more by getting existing customers to work for them generating high-quality referrals Turn every business contact into a relationship and every relationship into a sales success story

More Introductions! More Appointments! More Clients! You face four hurdles to gaining new clients: finding enough of the right prospects, getting their attention, making the sale, and multiplying your clients through referrals. While referrals are important, they're not the endgame. Beyond Referrals helps you turn referrals into introductions, appointments, and sales--showing you how to turn referrals into introductions to the prospects who are eager to hear from you. Then, you'll learn proven ways to convert a high percentage of prospects into high-value clients. "Bill's referral system is being used throughout our company because the results are undeniable. He has truly revolutionized the way our advisors are acquiring new clients through referrals. This book will turbocharge your client acquisition!" -- JOE JORDAN, Senior Vice President, MetLife "Beyond Referrals is a gold mine of value-based, profit-creating information. Utilizing Bill's Perpetual Revenue System, we learn that obtaining the referral is only the first step in an ongoing and very profitable cycle." -- BOB BURG, coauthor of The Go-Giver and author of Endless Referrals "Beyond Referrals explains how to avoid leaving money on the table from what I call the 'second sale.' You can read this book and double your business, or you can merely work twice as hard. That's not much of a choice." -- ALAN WEISS, PhD, author of Million Dollar Consulting and Million Dollar Referrals This is the ultimate blueprint for converting referrals into clients." -- Ivan Misner, PhD, New York Times bestselling author and founder of BNI

Every business needs referrals from satisfied clients. A good referral can lead to a closed sale faster and easier than any other lead. But let's face it. Asking for referrals can be awkward. And asking is often ineffective. That's why Stacey Brown Randall developed a method of getting referrals - without asking. In her book Generating Business Referrals Without Asking, she shares her system for revolutionizing any business. Her structured approach reduces the hustle and increases productivity and profit. With Randall's system, you can stop wasting time and money marketing to cold leads and stalking would-be clients on social media. And you can start doing what you love most - providing the excellent service that made you go into business in the first place. In Generating Business Referrals Without Asking, you'll get Randall's five steps to steady business growth, case studies from business professionals, and a step-by-step roadmap that even the busiest business owner can implement.

Do you have all of the prospects you need? Few of us do! Bob Burg has learned the secrets of effective prospecting, and now he offers his proven, time-tested techniques to you!
