The Equality Effect

The equality effect is an international network of human rights advocates (including grass roots community members, artists, musicians, film makers, health care workers, journalists, lawyers, teachers, students, judges and Parliamentarians) working collaboratively to improve the lives of women and girls by using existing human rights law to achieve concrete change.

In The Equality Effect: Improving Life for Everyone, Danny Dorling delivers evidence that more equal countries enjoy better outcomes, with their populations being happier, healthier and more creative, producing less waste and committing fewer crimes.

Book Review: The Equality Effect:
Improving Life for ...

The equality effect creates innovative and original interdisciplinary strategic plans to enforce existing human rights law and achieve social justice for women and girls □ this will mean that women and girls can live lives free of violence, free to make their own decisions, for example when to get married, who to marry, etc., and to live lives in which they can choose any occupation they wish, e.g. business, medicine, farming, teaching, politics.

What we do □ The Equality Effect

An introduction to the Equality Act 2010

A new Equality Act came into force on 1 October 2010. It brings together over 116 separate pieces of legislation into one single Act. The Act provides a legal framework to protect the rights of individuals and advance equality of opportunity for all.

What is the Equality Act? | Equality and Human Rights ...

Trust, Participation, Attitudes and Happiness Inequality affects how you see those around you and your level of happiness. People in less equal societies are less likely to trust each other, less likely to engage in social or civic participation, and less likely to say they're happy.

law that brings together nine individual pieces of legislation. The purpose of the Act is to make it more difficult for employers and other organisations to discriminate on a number of different grounds.

Equality Act 2010: how it affects UK businesses and employers

Gender wars Over the past decade, gender equality has been an increasingly live issue for the Army. This culminated in 2018 with the restriction being lifted on women serving in front-line infantry and special forces close-combat roles.

Previously, the exclusion of women came down to two issues of operational effectiveness.
