Essential Antenatal Perinatal And Postpartum Care

The aim of PCPNC is to provide evidence-based recommendations to guide health care professionals in the management of women during pregnancy, childbirth and postpartum, and newborns, and post abortion, including management of endemic diseases like malaria, HIV/AIDS, TB and anaemia. The PCPNC is a guide for clinical decision-making.

WHO | Pregnancy, childbirth, postpartum and newborn care

Read Online Essential Antenatal Perinatal And

The first step in providing maternal and newborn services during the COVID-19 pandemic is to determine pregnancy status. Once a woman discovers she is pregnant, she will either contact a Community Health Worker (CHW) to provide an antenatal care (ANC) assessment or visit a health center facility directly to confirm her pregnancy and receive ANC.

Maternal, Neonatal, and Child Health Services during COVID ...
