Essential Values-Based Practice: Clinical Stories Linking ...

The most likely reason why things go wrong is a failure of values-based practice – not ascertaining the relevant values perspectives and acting on them in a coherent and purposeful manner. If you rehearse and practise the elements of values-based practice detailed in this book, you will find your consultations more personally rewarding and your patients are likely to derive more benefit.

Summary With Part 2, we come to the first and
foundational group of process elements of values-
based practice: the four key areas of clinical skills.
Chapter 4 introduces awareness. Without awareness
of values and of the often-surprising diversity of
values, none of the other process elements of values-
based practice can get any purchase.

Essential Values Based Practice Clinical Stories Linking ...

Values-based practice, in order to mean anything at all, must mean practice that knowingly incorporates the appreciation of values that have a bearing on the decisions we make in that practice. I say 'have a bearing' because it is not only the values that inform our decisions, but also those that should, within the values-system that we inhabit, inform our practice.
