Kathy Reichs is an American forensic anthropologist and academic as well as being a bestselling author of crime thrillers. Well traveled and utilizing a vast compendium of personal and professional knowledge to create stories that are not only suspenseful and engaging, but also extremely technically detailed.

~~Kathy Reichs - Book Series In Order~~

Exposure is the most lacking entry in the so far stellar Virals series. I guess every series is bound to have, or maybe even be entitled to have, a slightly weaker entry but it was still a little disappointing. ... But if anyone can work a long-running forensic mystery series, it is Kathy Reichs.

In Exposure though, all the drama subplots were unceremoniously dumped and after they were bought to such a tantalising simmer in the previous book. This disappointing and added to the uneven and unsatisfying book. Finally, I have to express a bit of concern about the new series co-writer, Kathy's son Brendan.
