easy access to the tool that is the backbone of any successful business. Topics covered include: Financial Statement Preparation Balance Sheet Statement of Cash Flows Methods for Operating Cash Flows Comprehensive Income Statement of Retained Earnings Statement of Changes in Equity Accompany Notes to Financial Statements Corporate Annual Reports & SEC Reporting Nonprofit Financial Statements Governmental Financial Statements Personal Financial Statements

This guide mainly consists of basic finance concepts, equations and principles, which can be used in school, home or in the workplace.

Strengthen skills, know where to start and reduce your risk. Growing in universities as a separate degree in itself, any business major or inspired self-starter will find a barrage of tools that create a road map to the American Dream. With a focus on doing it "lean", this 6-page guide by our author, successful entrepreneur and well-connected Babson College graduate can help steer the course. Suggested uses: * Students - quick reference tool for a major in entrepreneurship or business * Professors - supplemental reference for courses that focus on aspects of business and entrepreneurship * Personal - start your own business - for people who want to work for themselves and feel there is a better way to providing a service or product that they feel is meaningful, fulfilling and profitable * Consultants - provide as a supplemental reference and/or promotional give-away for entrepreneurship and start-up presentations, courses, conferences, training and the like

A bank for the "language of money" you need to know. Our author, expert and professor targeted the most important vocabulary for this critical subject in 6 laminated pages covering over 300 terms. Easy to access at a moments notice for reviewing core concepts before exams, as a professional resource, or for general knowledge of an area that affects business as well as personal lives every day. Suggested uses: * Students/Teachers - reference for any business and finance student * Personal - great crib sheet for personal investments, money managing, financial markets and government * Professionals - whether an entrepreneur or a CPA, keep a reference to the language of money by your side * Businesses - purchase as a give-away that will help you educate your clients, making for more productive discussions and relationships

We've taken our popular Accounting 1 guide and made it even better! Updated content and an additional panel of information not only make this an essential companion for students in introductory accounting courses, but also a refresher for those in higher level courses. In this edition you will find more coverage of the subject including expanded sections on financial statements and accounting in business, making this a study tool you won't want to be without!

professionals alike. Quick access to the essentials provides an opportunity for review throughout an entire course, daily, weekly or before exams. Review often, after a lecture or textbook chapter to step back and see how that knowledge fits into the big picture. Also a great reference tool for any non-finance related business professionals to understand what keeps the company running and profitable. Suggested uses:

- o Students - with the least expensive study tool you will find - review, review, review... and your scores will increase
- o Professors - use this guide as a finance course syllabus to offer more to your students at a price that beats any supplemental material
- o Business - handy overview of the important aspects of finance for yourself or employees to better understand the business
