foundations of nursing Flashcards and Study Sets | Quizlet

Nursing fundamentals is a class required by most nursing programs that nursing students take during the first semester of nursing school. This class is also known as nursing foundations, depending on what your nursing program calls it. Many nursing programs split this class into a lecture (which is attended throughout the semester) and then a skills lab and clinical site.

How to Study for Nursing Fundamentals in Nursing School

Expertise in nursing is a result of knowledge and clinical experience. The expertise required to interpret clinical situations and make clinical judgments is the essence of nursing care and the basis for advancing nursing practice and nursing science (Benner et al., 2010).
