Readers will learn about the many similarities and differences between United States citizens. This book celebrates this rich diversity. Vivid photographs help students understand how America's great fabric of ethnicities makes the nation multicultural and strong. This approachable text is written especially for young readers and is complete with a vocabulary-building glossary. This content aligns with social studies curricula, which will help students become compassionate and engaged citizens.

Using big books and student editions, historical events are presented within a chronological and geographical context. Students at every level learn about the significant people, places, and events that have shaped California and the entire country.

Part of the History-social science series created to follow the California standards and framework, providing stories of the important people, places, geography, and events which shaped the state of California and the country.
