Haunted Universe The True Knowledge

Haunted Universe is a manual. A precise manual to the most important thing we can ever know - that we do not exist nor have we ever existed. There is no one writing this review. No one wrote Haunted Universe. It was spoken from the lips of the Dragon, utterances from the black Void that is the Universe.

"NEWLY REVISED EDITION" Haunted Universe is a journey into dark realms, an uncompromising presentation of the real cost of Awakening. Where other books have promised that the path to Enlightenment is one of joy, bliss and self discovery, this book makes no such claims. Haunted Universe does not attempt to gloss over, but actually emphasizes what those who embark on the path of Enlightenment ...
