History of New South Wales - Wikipedia

New South Wales was the first Australian colony to be established by the British. The southeastern coast of the continent was first sighted by Europeans in 1770 on the first voyage of Capt. James Cook , who took possession of what he called New South Wales in the name of King George III .

New South Wales - History | Britannica

New South Wales History. Prior to the arrival of Captain James Cook in 1770, New South wales was inhabited by Indigenous Australians for at least 40,000 years. The First Fleet, comprising 11 ships and around 1,350 people, was dispatched to the unknown continent - the only information about New South Wales was that from Cook's voyage of 1770.

New South Wales History | New South Wales - Australia's Guide

In 1788 New South Wales became the first Australian penal colony by the British under King George III. Australia's first political party was established in New South Wales in 1835 by William Wentworth and the Australian Colonies Government Act of 1850 granted a representative constitution to the colony.

New South Wales History, Language and Culture

New South Wales Encyclopædia Britannica, Inc. The site of the first British settlement in Australia in 1788, New South Wales is today the most populous and, after Victoria, the most industrialized state in the Commonwealth of Australia. Originally the name New South Wales was applied to all territory east of longitude 135° E.

HISTORY OF NEW SOUTH WALES. 1. PHILLIP AND ROSS. FROM August, 1789, to February, 1790, the Records are silent concerning the relations which existed between Governor Phillip and Major Ross. This very silence may, however, be an indication that the terms upon which they were well known to stand with each other had not improved.

History of New South Wales From the Records Volume II ...

New South Wales (abbreviated as NSW) is a state on the east coast of Australia. It borders Queensland to the north, Victoria to the south, and South Australia to the west. Its coast borders the Coral and Tasman Seas to the east. The Australian Capital Territory is an enclave within the state. New South Wales' state capital is Sydney, which is also Australia's most populous city.

New South Wales - Wikipedia

THE attainment by the colony of the Centennial period of its existence, appeared to the Government of New South Wales an appropriate occasion for the preparation, at the public cost, of a comprehensive history, embodying information obtainable from all known sources, and of such an authentic character as to form a reliable basis for the labours of the future historian. The duty of preparing this important work having been entrusted to me, it seemed necessary, in order to do justice to the ...

History of New South Wales From the Records, Volume I

The Colony of New South Wales was a colony of the British Empire from 1788 to 1900, when it became a State of the Commonwealth of Australia. At its greatest extent, the colony of New South Wales included the present-day Australian states of New South Wales, Queensland, Victoria, Tasmania, and South Australia, the Northern Territory as well as New Zealand. The first "responsible" self-government of New South Wales was formed on 6 June 1856 with Sir Stuart Alexander Donaldson appointed by Governor

Colony of New South Wales - Wikipedia

Uncover South Wales' history A bit of pre-history - People have lived in Wales - and we're including our Neanderthal cousins here - for around 250,000 years. The land was uninhabitable during a series of Ice Ages, but when the last Ice Age ended around 15,000 years ago, we were back for good.

History - UNSW Sydney. The University was incorporated by Act of the Parliament of New South Wales in Sydney in 1949, but its character and idea can be traced back to the formation of the Sydney Mechanics Institute in 1843, leading to the formation of the Sydney Technical College in 1878. The Institute sought [the diffusion of scientific and special knowledge], the College sought to apply and teach it.

History - UNSW Sydney - University of New South Wales

The establishment of a Commonwealth government in 1901 inaugurated a new era in the history of New South Wales. With a population of 1,354,846—more than one-third that of Australia overall—it was the most populous state. Important powers were handed over to the federal government, which progressively encroached on the state's domain.
