from the

They 'amount to

between readers

read in  
different ways:  
some in a  
private moment  
revelling in the  
escape that  
reading allows,  
or some with an

eye to sharing  
and discussing.  
Tim Winton sums  
up reading in  
one word:  
'privacy'. But  
for others,  
reading is  
company. 'As  
long as you have  
the capacity to  
read,' says  
Elliot Perlman,  
'you needn't be

alone any more'.  
Or as Richard  
Flanagan puts it  
in *The Narrow  
Road to the Deep  
North*, when his  
hero Dorrigoo  
Evans stands in  
his library: 'he  
was not alone'.  
And Miles  
Franklin  
wonderfully  
describes the

# Access Free Installer Guide

place we go to  
when we are  
reading as 'book-  
land'. To return  
to Jennifer: 'As  
the chorus of  
voices in this  
book makes  
clear, there are  
as many ways to  
read as there  
are to live.'
