Jaguar E-Type V12 Series 3 (1971-1974) The Jaguar E, a Ferrari at half the price that's how the marketing department of Coventry introduced the third series, about 10 years after the debut of the first E-Type. With the new looks, due particularly to the wider track and the flatter standing windshield, the E-V12 looked more like a Grand Turismo. The athlete turned into a comfort-oriented glider with a high-torque, silky smooth running V12 engine.
