Language, Culture, and Communication

The language that we speak influences our cultural identities and our social realities. We internalize norms and rules that help us function in our own culture but that can lead to misunderstanding when used in other cultural contexts.

3.4 Language, Society, and Culture – Communication in the ...

Transmission of language and culture. Language is transmitted culturally; that is, it is learned. To a lesser extent it is taught, when parents, for example, deliberately encourage their children to talk and to respond to talk, correct their mistakes, and enlarge their vocabulary. But it must be emphasized that children very largely acquire their first language by "grammar construction" from exposure to a random collection of utterances that they encounter.

Language - Language and culture | Britannica
