Lethal Hindsight has all the elements of a good mystery novel. The characters come alive and draw you in on every page. The tone is suspenseful especially toward the end. The ingenious author is an ophthalmologist who weaves the story line with the main character being an ophthalmologist. I have all the other books written by Dr. Abel which are health related but I was very impressed with the author's maiden voyage as a mystery novelist. It is a great read with great dialogue and detailed ...

Colorado self-defense law allows people to use force to defend themselves or others when they reasonably believe it necessary to protect against imminent harm, and they use only the degree of force appropriate for the situation. In some cases, this means you can use deadly force. You do not have to withdraw from an altercation before defending yourself.
