 With DK's Look I'm an Engineer, young thinkers are encouraged to use their senses to investigate what method makes the strongest paper bridges, how to power a tugboat with an elastic band, which materials make the best parachutes, and much more.

DK Look! I'm an Engineer
 The I Look Like an Engineer movement was created in August 2015 by software developer Isis Anchalee as a response to the backlash the OneLogin recruitment ad in which she was featured received. The movement aspired to break the stereotypes and promote diversity around underrepresented groups, particularly women, POC, and LGBTQ+ individuals in engineering fields. Its primary tactic is the use of the hashtag #ILookLikeAnEngineer on social media sites such as Twitter, Facebook, and Instagram, along
