Plant Ecology. The Integrated Screening Programme (ISP) developed by the team of scientists at Sheffield University's Unit of Comparative Plant Ecology has given rise to the classic books "Comparative Plant Ecology" and "The Abridged Comparative Plant Ecology" (now published by Chapman & Hall).

Methods in comparative plant ecology : a laboratory manual ...

- * Analyses traits that drive ecosystems and traits that merely control entry and persistence in plant communities
- * Isolates five different mechanisms of plant co-existence
- * Reviews plant community responses to extreme events and climate change
- * Provides evidence that plant functional types control the tempo of ecosystem functioning
