Midnight by Jacqueline Wilson (2003) I t's another beautifully written Jacqueline Wilson story, but there's not a lot of fun in this one. It's all about Violet and how she copes with her difficult family. She's got this brother you see, only, he isn't really her brother because he's just discovered that he was adopted when he was a baby.

For today's Berg's Book Club, I will be reviewing Midnight by Jacqueline Wilson. Wilson is a well-known children's author. With over 100 books published, many of which are outstanding, it is understandable that some of her books will be under her normal standards and not what we expect from this normally amazing children's writer.
