In *Voice Secrets: 100 Performance Strategies for the Advanced Singer*, Matthew Hoch and Linda Lister create order out of the chaotic world of singing. They examine all aspects of singing, including nontechnical matters, such as auditioning, performance anxiety, score preparation, practice performance tips, business etiquette, and many other important topics for the advanced singer. *Voice Secrets* provides singers with a quick and efficient path to significant improvement, both technically and musically. It is the perfect resource for advanced students of singing, professional performers, music educators, and avid amateur musicians. The *Music Secrets for the Advanced Musician* series is designed for instrumentalists, singers, conductors, composers, and other instructors and professionals seeking a quick set of pointers to improve their work as performers and producers of music. Easy to use and intended for the advanced musician, contributions to *Music Secrets* fill a niche for those who have moved beyond what beginners and intermediate practitioners need.

Edited by distinguished scholars in the field of popular music studies, this encyclopedia set is THE authoritative reference guide to popular music from all corners of the globe, the ultimate reference work to do justice to this vibrant subject.

Titles in the *Dictionaries for the Modern Musician* series offer both the novice and the advanced artist key information designed to convey the field of study and performance for a major instrument or instrument class, as well as the workings of musicians in areas from conducting to composing. Each dictionary covers topics from instrument parts to technique, major works to key figures—a must-have for any musician 's personal library! A *Dictionary for the Modern Singer* is an indispensable guide for students of singing, voice pedagogues, and lovers of the art of singing. In addition to classical singing, genres, and styles, musical theatre and popular and global styles are addressed. With an emphasis on contemporary practice, this work includes terms and figures that influenced modern singing styles. Topics include voice pedagogy, voice science, vocal health, styles, genres, performers, diction, and other relevant topics. The dictionary will help students to more fully understand the concepts articulated by their teachers. Matthew Hoch 's book fills a gap in the singer 's library as the only one-volume general reference geared toward today 's student of singing. An extensive bibliography is invaluable for students seeking to explore a particular subject in greater depth. Illustrations and charts further illuminate particular concepts, while appendixes address stage fright, tips on practicing, repertoire selection, audio technology, and contemporary commercial music styles. A *Dictionary for the Modern Singer* will appeal to students of singing at all levels. For professionals, it will serve as a quick and handy reference guide, useful in the high school or college library and the home teaching studio alike; students and amateurs will find it accessible and full of fascinating information about the world of the singing.

Notes and Sources to Folk Songs of the Catskills, also published by the State University of New York Press, is the companion volume to *Folk Songs of the Catskills*. It contains extensive reference notes that exemplify and support detailed citations in the commentary preceding each song. The book also includes a comprehensive list of sources, including books, broadsides or pocket songsters, disc recordings, music publications, periodicals, tape archives, and other miscellaneous material, as well as information on variants, adaptations, comments or references, texts, and tunes. These notes are designed to provide succinct reference information.

Instructional manual on musical meter and rhythm.
