The interpretation of collage is expanded to include many other techniques in combination with glued papers. Making it more of a mix-media book of techniques than actually about collage. The book acts as a compendium of ways of thinking and creatively using glued papers (found, created, altered, painted)which in itself is not a bad thing.

Every collage has a tale to tell. Tell your story in paper, fabric, and objects collected from your world. Storytelling With Collage will inspire you to capture your poetic thoughts, fond memories and passionate daydreams in a soft and simple style. Using simple tools and supplies that delight you, you'll learn to work with a variety of prompts and will discover how each element you select—from small shells collected on your last trip to the pretty paper you unwrapped from a recent gift—has its own part of a complete narrative. Nine collage prompts will walk you step-by-step through a collage creation as you work with textured papers, fabric, stitching, found objects, images, natural materials, color, wax and metal. In addition, inside you will find:

- Numerous Tasks—ideas for combing your world for collage fodder
- Beautiful photos to inspire you to customize your own worktable
- Perspective on finding inspiration outside your window through the seasons
- Extra inspiration in each chapter from the Collage Stories and works by 25 contributing artists

Capture the textures and colors of your moments today through your own Storytelling With Collage!

This is a guidebook to the vast assortment of tools and techniques of paper collage. It covers paper layering; faux-lace embellishing; and assemblage. Discover how to make creative, personal collages with advice, techniques, and projects from craft author and graphic designer Clare Youngs. We are all born with an inner desire to express ourselves. Making collages, especially in the form of art journals, gives you an opportunity to express thoughts, feelings, and wishes and to capture memories. It is a way of collating and putting thoughts in order. You can look back at filled pages with a real sense of accomplishment. Most of all it is fun! In Creative Collage, Clare Youngs reveals the secrets of collaging, one of her favorite crafts. Learn about the kinds of paper you can use, such as maps, tickets, photographs, typography, and magazine pages, and how to add texture, use layering, and make use of geometric designs. Some of Clare's amazing collages are included for inspiration, and she explains how she chose the materials and composition for each one. Clare
