Ground up or section by section, this guide will show you how to restore your 1965-70 Mustang to like-new condition. Packed with dozens of identification charts and more than 450 photos and drawings. the guide covers year-by-year equipment changes and disassembly and assembly. A Mustang suppliers list is a bonus.

□Be brave. Be kind. Fight fires.□ That's the motto of firefighters, like Hersch Wilson, who spend their lives walking toward, rather than away from, danger and suffering. As in Zen practice, firefighters are trained to be fully in the moment and present to each heartbeat, each life at hand. In this unique collection of true stories and practical wisdom, Wilson shares the Zen-like techniques that allow people like him to stay grounded while navigating danger, comforting others, and coping with their personal response to each crisis. Every life contains the unexpected and the unwelcome. How you cope with those inevitable events, more than the events themselves, defines the quality of your life. Firefighter Zen is an invaluable guide to meeting every day with your best calm, resilient, and optimistic self.

Coax more power from your engine! This guide tells you how to choose L-series engine parts, and prepare and assemble them for optimum power and durability. A maintenance and repair manual for the DIY mechanic.

In this collection of essays, Watts displays the playfulness of thought and simplicity of language that has made him one of the most popular lecturers and authors on the spiritual traditions of the East. Watts draws on a variety of religious traditions and explores the limits of language in the face of spiritual truth.

This short paperback gives a wealth of information on small boats and their safe operation.
