Women in Victorian England wore jewelry made from each other's hair and wrote poems celebrating decades of friendship. They pored over magazines that described the dangerous pleasures of corporal punishment. A few had sexual relationships with each other, exchanged rings and vows, willed each other property, and lived together in long-term partnerships described as marriages. But, as Sharon Marcus shows, these women were not seen as gender outlaws. Their desires were fanned by consumer culture, and their friendships and unions were accepted and even encouraged by family, society, and church. Far from being sexless angels defined only by male desires, Victorian women openly enjoyed looking at and even dominating other women. Their friendships helped realize the ideal of companionate love between men and women celebrated by novels, and their unions influenced politicians and social thinkers to reform marriage law. Through a close examination of literature, memoirs, letters, domestic magazines, and political debates, Marcus reveals how relationships between women were a crucial component of femininity. Deeply researched, powerfully argued, and filled with original readings of familiar and surprising sources, *Between Women* overturns everything we thought we knew about Victorian women and the history of marriage and family life. It offers a new paradigm for theorizing gender and sexuality--not just in the Victorian period, but in our own.

She dreamed of finding a new life! Georgetown, Guyana 1970. Seven-year-old Rita has always known she was responsible for the death of her beautiful mother Cassie. Her absent-minded father allows her to run wild in her ramshackle white wooden house by the sea, and surrounded by her army of stray pets, most of the time she can banish her mother's death to the back of her mind. But then her new stepmother Chandra arrives and the house empties of love and laughter. Rita's pets are removed, her freedom curtailed, and before long, there's a new baby sister on the way. There's no room for Rita anymore. Desperate to fill up the emptiness inside her, Rita begins to talk to the only photo she has of her dead mother, a poor farmer's daughter from the remote Guyanese rainforest. Determined to find the truth about her mother, Rita travels to find her mother's family in an unfamiliar land of shimmering creeks and towering vines. She finds comfort in the loving arms of her grandmother among the flowering shrubs and trees groaning with fruit. But when she discovers the terrible bruising secret that her father kept hidden from her, will she ever be able to feel happiness again? Sharon Osbourne reveals the truth behind the headlines in her characteristically frank, intimate and articulate memoir-from her childhood as the daughter of Don Arden, to managing and marrying Ozzy Osbourne, to her rising fame on shows such as *The Osbournes* and *The X Factor*. A devoted wife and mother, businesswoman, TV star and award-winning producer, Sharon Osbourne has, in her own words, "lived fifty lives in fifty years". Her childhood with her father, the notorious rock manager Don Arden, was an unruly mix of glamour and violence. In her late 20s, Sharon finally made the painful decision to break with her family. Always irrepressible, Sharon flourished, creating a loving family of her own while becoming a legendary manager and rock band promoter. In rock star Ozzy Osbourne, Sharon found her soul mate, yet Ozzy's drug and drink-fueled excesses-which culminated in his attempt to strangle her-made their marriage a white-knuckle ride from the start. Only her devotion to their three children gave her the will to survive. From the tremendous highs of the hit show *The Osbournes* to the devastating lows of Ozzy's near-fatal quad-bike accident and her own bout with colon cancer, Sharon's tenacity, honesty, and humor have triumphed again and again.

Based on diaries and email correspondence that she kept from 1981-2004, here *Suad* Amiry evokes daily life in the West Bank town of Ramallah. Capturing the frustrations, cabin fever, and downright misery of her experiences, Amiry writes with elegance and humor about the enormous difficulty of moving from one place to another, the torture of falling in love with someone from another town, the absurdity of her dog receiving a Jerusalem identity card when thousands of Palestinians could not, and the trials of having her ninety-two-year-old mother-in-law living in her house during a forty-two-day curfew. With a wickedly sharp ear for dialogue and a keen eye for detail, Amiry gives us an original, ironic, and firsthand glimpse into the absurdity/and agony/of life in the Occupied Territories.

A secret love affair on a faraway island. Seas crawling with Japanese spies. A terrible war creeping ever closer! India, 1940, and Rosie is devastated by the sudden death of her beloved mother. The parties, smiles and games disappear, and although Rosie is desperate to stay in her home, her father cannot look after her. All alone in the world, she is sent to Sri Lanka, to live with her mother's friend Silvia and her three sons. Time passes and Rosie flourishes in her new home amongst the mango trees and canna lilies. And one day, under the heat of the Sri Lankan sun, she falls in love for the first time. But her happiness is short lived, for the brutal war that has devastated families and torn Europe apart is creeping closer to their island. One by one the men depart Sri Lanka leaving Rosie with just memories and a broken heart she must hide. As Rosie waits for letters that never come, tortured by stories of torpedoed ships and massacres of innocent families, she realises that she cannot just sit and wait for news. She volunteers to help the army, working in military intelligence to protect her island paradise. But then her work brings shocking news that makes her blood run cold. The man she loved is missing, feared dead. Yet Rosie cannot lose hope ! even as more women are left widows, more children left without fathers. But when the much longed-for news comes that the war is ended, and a limping wasted figure returns home, will one final devastating revelation tear Rosie's world apart? An emotional and heartbreaking read with rich historical detail set against the backdrop of Sri Lanka during World War Two. Fans of Hazel Gaynor, Fiona Valpy and Kristin Hannah will be swept away by *Those I Have Lost*. What everyone's saying about Sharon Maas: !!If only I could give this book 100 stars rather than 5!!
