Exclusive! The only official guide to this widely required teacher licensing exam, instantly downloadable for easy access. From ETS: the people who create the test!

With approximately 1,400 practice questions - more than any other exam review - this book provides the most complete, reliable preparation available for the PRAXIS II subject assessment examination. Review questions can be selected to match the style and question distribution of the real exam to familiarize you with the examination experience and help you build test-taking confidence. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included.

When it comes time to study for the Speech-Language Pathology Praxis, there's no need to go it alone. Developed by Kay T. Payne, a noted authority on the exam, Preparation for the Praxis in Speech-Language Pathology is so much more than a conventional review manual. Unlike other texts which focus on rote learning and study questions, this unique guide offers actual techniques and tips for conquering the complexities of the Praxis. With pages of valuable practice and lessons learned from experience, students and professionals preparing for the exam can assess their study habits, learn tactics for dealing with test anxiety, and develop skills for optimizing their performance. Each of the nine chapters in this streamlined study guide addresses a different aspect of preparing for the certification exam, including: \*Study habits \*Common misconceptions and facts about the Praxis \*Critical thinking skills \*Reasoning skills \*Reading comprehension \*Mental preparation \*Test-taking strategies \*Time utilization \*Guessing strategies Using easy-to-understand language and demonstrative examples, Preparation for the Praxis in Speech-Language Pathology dispels the myths surrounding the Praxis and prepares you mentally to take the exam. Everyone from students facing the test for the first time to seasoned professionals refreshing for certification can find the tools they need to succeed within this new Praxis study guide. This study resource comes complete with: \*A full-length timed Practice Test with answers and explanations \*Hundreds of demonstrative Praxis-type questions \*Frequently asked questions from students over the years \*A Study Habits Questionnaire, test anxiety scale, and final preparation checklist \*A comprehensive guide on what to study \*Access to electronic versions of quizzes from 19 undergraduate and graduate courses

Complete with a targeted review of all the material on the selected Praxis exam in addition to a full-length practice test, these test preparation guides are written by the makers of the real tests. Thorough explanations of the answers are provided and helpful test-taking strategies are found throughout the guide. The three categories of assessments covered correspond to the three milestones in teacher development-academic skills assessment, subject assessment, and classroom performance assessment. Reflecting the rigorous and carefully validated nature of the exams, these guides provide beginning teachers the information needed to succeed.
