Bickle ...

In Psychoneural Reduction, John Bickle presents a new type of reductionism, one that is stronger than one-way dependency yet sidesteps the arguments that sank classical reductionism. Although he makes some concessions to classical antireductionism, he argues for a relationship between psychology and neurobiology that shares some of the key aims, features, and consequences of classical reductionism.

REVIEW - jstor.org

In Psychoneural Reduction: The New Wave, John Bickle presents his most recent ideas from the "new wave" school of reductive materialism. After presenting Bickle's account of scientific theory reduction, which is a modified structuralist gloss on Paul Churchland and Clifford Hooker's general view, I press three main points.

Post-Structuralist Angst-Critical Notice: John Bickle ...

ABSTRACT: 'New wave' reductionism aims at advancing a kind of reduction that is
