~~The Renault Scénic is a compact multi-purpose vehicle produced by French automaker Renault, the first to be labelled as such in Europe. It is based on the chassis of the Mégane small family car. It became the 1997 European Car of the Year on its launch in November 1996. The second, third and fourth generations have a model called Grand Scénic, which has seven seats rather than five. From the fourth generation, the Scénic now utilizes three/four bench rear seats instead of three ...~~

Introduction. Renault had a great head start when it came to launching the second generation Scenic. With a reputation as one of the originators of this rapidly evolving market niche, all eyes were on the French company when, in 2003, it replaced the existing model with an all-new car, again based on the Megane platform.~~
