Robert McChesney makes no bones about it: he is a democrat with a small "d", and in this book, Rich Media, Poor Democracy: Communication Politics in Dubious Times, that spells leftist. As a media scholar (communications professor at the University of Illinois, Urbana-Champaign), he is primarily concerned with "the contradiction", as he puts it, "between a for-profit, highly concentrated, advertising-saturated, corporate media system and the communication requirements of a democratic society".

Summary. Demonstrates how journalism has been compromised by the corporate bosses of conglomerates such as Disney, Viacom and AOL Time Warner to produce a system of news that is high on sensationalism and low on information. They suggest that unless citizen activism can reclaim the commons, this new corporate system will be characterized by a rich media and an ever impoverished poor democracy.
