at festivals and public games. They would set up their makeshift stage which Plautus refers to as the *proscænium* or *scaena* (a transliteration for the Greek *skene*). His plays would require two, sometimes three doors, probably with porches that would open onto the 'street' in front of the houses.

roman comedy  
Roman comedy is an exceptional source for social life in antiquity, as well as for theater and performance. These plays are rarely staged, however, and we hope the institute will encourage more productions of them.

These plays feature elements like rape and torture as humor. How
