Service Consumption. Once rendered to a customer the service is completely consumed and cannot be delivered to another customer. eg: A customer dissatisfied with the services of a barber cannot return the service of the haircut that was rendered to him.

Services Marketing - Definition and Characteristics

Customer relationship management is one of many different approaches that allow a company to manage and analyse its own interactions with its past, current and potential customers. It uses data analysis about customers' history with a company to improve business relationships with customers, specifically focusing on customer retention and ultimately driving sales growth. One important aspect of the CRM approach is the systems of CRM compile data from a range of different communication channels,

In examining the new rules of service competition, the author discusses what important issues constitute the three levels of internal marketing, the four basic strategy options, and the five rules of service.

"Grönroos presents the most scholarly and provocative examination of services marketing that I have seen in our literature. This book is guaranteed to challenge company ideas on how services should be managed and the role they play in defining a company's competitive strength and profitability. Grönroos continues as one of services marketing's most original thinkers." Philip Kotler S.C Johnson Son Distinguished Professor of International Marketing, J. L. Kellogg Graduate School of Management Northwestern University

Service Companion to information and expanding digital reality. The customer service principles – strategic and operational – advocated by these authors are universal, but particularly compelling as they apply to Africa's unique and dynamic operating environment. In recognition of the importance of excellent customer service, this comprehensive and well-timed book provides an essential guide on the increasing role of the customer to business success. This book discusses the management and delivery of customer service under seven broad themes: Customer Service as Shared Value, Customer Service Strategy, Customer Service Systems, Customer Service Style, Customer Service Culture, Customer Service Skills and Customer Experience – Advancing Customer Service in Africa. Central questions posed and addressed include: What is the new definition of customer service management? How should organisations
