The following is a list of colors. A number of the color swatches below are taken from domain-specific naming schemes such as X11 or HTML4. RGB values are given for each swatch because such standards are defined in terms of the sRGB color space. It is not possible to accurately convert many of these swatches to CMYK values because of the differing gamuts of the two spaces, but the color ...

Color is magic! No matter what kind of clothes you like to wear, the right colors can make the difference between looking drab and looking radiant! You can wear every color of the rainbow. Shade makes the difference. Using simple guidelines, professional color consultant Carole Jackson helps you choose the thirty shades that make you look smashing. What color season are you? Spring: Your colors are clear, delicate, or bright with yellow undertones. Summer: Cool, soft colors with blue undertones are right for you. Autumn: You look best in stronger colors with orange and gold undertones. Winter: Clear, vivid, or icy colors with blue undertones make you look best. Color Me Beautiful will also help you:

- Develop your color personality
- Learn to perfect
