Proficiency as a drummer has always come from great hand dexterity. However, with the introduction of modern drumming techniques, it has become increasingly necessary to gain complete independence of both the

Access Free Stick Control For The Snare Drummer

hands and feet. With various rhythmic exercises in easy-to-read notation, 4-Way Coordination is designed to guide the drummer from simple patterns to advanced polyrhythms. Through the study of this method book,

Access Free Stick Control For The Snare Drummer

the student will gain
invaluable listening skills
and techniques that will
provide insight to drumming
in all styles.

George Lawrence Stone's
Accents and Rebounds, the

Access Free Stick Control For The Snare Drummer

follow-up to the classic Stick Control, builds on the basics with accent routines and more advanced rhythms to improve the player's finesse and control. This book includes sections on accented eighths, dotted
