Where does one start to describe the Swedish personality? It is of course to generalize a country as a whole, and there are always exceptions to the rule. But one seems to run into more personality types than the other in Sweden. While Swedes are very friendly, they are also notorious for their stoicism.

Åke Daun believes that the Swedish Mentality is partially a result of "Protestant ethics" which tend to expound "impersonal virtues" like honesty and diligence at the expense of "interpersonal virtues" such as warmth and forbearance. He also believes the Homogeneity of the country has a lot to do with it.

I'm pleased with our mentality and team spirit. There's no doubt it was a deserved point for us. "I don't believe in coincidences. Our late goals come from good fitness, also our game, the way we ...

Is there a distinctly Swedish national character? Are Swedes truly shy, unemotional, conflict-avoiding, melancholy, and dour? *Swedish Mentality*, the English translation of the hugely successful book published in Sweden in 1989, considers the reality behind the myth. The author, Åke Daun, is a respected ethnologist who is sometimes referred to as the "guru" of Swedish character. In recent years, it has become popular to discuss Swedishness and Swedish identity. The advent of the European Union and the increasing presence of immigrant refugees in Sweden have fueled public debate on the distinctiveness of Swedish culture. Daun, however, goes beyond stereotype, drawing upon statistics gathered over more than a decade of research. The result is an entertaining and engagingly written book. Throughout, Daun quotes from interviews with native Swedes and immigrants as well as from travel accounts, folklore, and proverbs. We learn why some Swedes might prefer to walk up a flight of stairs rather than share an elevator with a neighbor and why some gain satisfaction from walking alone in the woods or going fishing. Daun describes a range of factors influencing Swedish character, including population composition, rural background, and even climate. He recognizes behavioral variations related to gender, age, class, and region, and he considers subtleties of individual character as well. *Swedish Mentality* should interest a wide array of readers, whether of Swedish descent or not.

This book discusses the interrelationship between practices of collective self-interpretation, in this case national identity construction, and integration policies, using the example of Denmark and Sweden. Though both countries are considered to be socially progressive and modern, not least by themselves, the author makes the novel and provocative argument that both Denmark and Sweden are caught in a (discourse) paradox when it comes to integration policy, which stands in the way of successful immigrant integration. The author uses an innovative approach to reconstruct the Danish and the Swedish national identity by using social studies schoolbooks and novels as research material, thereby adding an interdisciplinary dimension to the book. About the author Marilena Geugjes is a postdoctoral researcher at the University of Applied Sciences in Wiesbaden, Germany. She earned her doctorate in Political Science at Heidelberg University. Her research focuses on migration and integration policy, local politics, and the role of the police.

This is the new, black and white version of *From English to Swedish 1*. A full color version is also available. Look for ISBN 978-1540452900.

Where To Download Swedish Mentality

From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of culture clashes, all based on the authors' real life experiences. Uke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Språkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical point of view, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "A brilliant book. ... The words and pronunciations are well explained with examples given. Common Swedish vocab is also used in lessons. Quite amazing that by lesson 2 (Lektion 2) I was understanding and translating simple paragraphs and answering questions in full sentences without much difficulty. The two books are a must buy for people looking to learn the Swedish language. ... The second book is just as good as this one." (Amazon, England) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book!" (Amazon, Spain)

NAMED THE #1 BEST BOOK OF THE YEAR BY THE CHRISTIAN SCIENCE MONITOR, A WITTY, INFORMATIVE, AND POPULAR TRAVELOGUE ABOUT THE SCANDINAVIAN COUNTRIES AND HOW THEY MAY NOT BE AS HAPPY OR AS PERFECT AS WE ASSUME Journalist Michael Booth has lived among the Scandinavians for more than ten years, and he has grown increasingly frustrated with the rose-tinted view of this part of the world offered up by the Western media. In this timely book he leaves his adopted home of Denmark and embarks on a journey through all five of the Nordic countries to discover who these curious tribes are, the secrets of their success, and, most intriguing of all, what they think of one another. Why are the Danes so happy, despite having the highest taxes? Do the Finns really have the best education system? Are the Icelanders as feral as they sometimes appear? How are the Norwegians spending their fantastic oil wealth? And why do all of them hate the Swedes? In *The Almost Nearly Perfect People* Michael Booth explains who the

Where To Download Swedish Mentality

Scandinavians are, how they differ and why, and what their quirks and foibles are, and he explores why these societies have become so successful and models for the world. Along the way a more nuanced, often darker picture emerges of a region plagued by taboos, characterized by suffocating parochialism, and populated by extremists of various shades. They may very well be almost nearly perfect, but it isn't easy being Scandinavian.

Perfect for fans of *The Little Book of Hygge* and *Norwegian Wood*, find the balance in life that is just right for you. Let Lola A. Åkerström, Editor-in-chief of *Slow Travel Stockholm*, be your companion to all things lagom. As the Swedish proverb goes, 'Lagom är bäst' (The right amount is best). Lagom sums up the Swedish psyche and is the reason why Sweden is one of the happiest countries in the world with a healthy work-life balance and high standards of living. Lagom is a way of living that promotes harmony. It celebrates fairness, moderation and being satisfied with and taking proper care of what you've got, including your well-being, relationships, and possessions. It's not about having too little or too much but about fully inviting contentment into our lives through making optimal decisions. Who better than Lola A. Åkerström to be your lagom guide? Sweden-based Lola is an award-winning writer, photographer, and editor-in-chief of *Slow Travel Stockholm* and she offers us a unique vantage point when it comes to adopting elements of a lagom lifestyle. Full of insights and beautiful photographs, taken by Lola herself, this authentic book will help you make small, simple changes to your every day life - whether that's your diet, lifestyle, money, work or your home - so you can have a more balanced way of living filled with contentment.

For many decades, Sweden was seen as a model welfare state. Only with the onset of economic problems in the 1990s have successive governments felt compelled to curb social spending and abandon the goal of full employment. This book is about the changes introduced and the political, institutional and cultural resistance they encountered. Detailed accounts of changes to welfare services and benefits are included alongside specialist chapters devoted to areas where Sweden itself has claimed to be something of a leader - the care of the elderly, gender equality, employment issues and substance.
