The Art Of Character Creating

"Corbett's The Art of Character is no "how to" book or "writing by numbers" manual. It is an artful testament to the writers' credo - that a story is only as affecting and meaningful as the characters who tell it - that writing, essentially, is character. The Art of Character is a writer's bible that will lead to your character's soul. Corbett writes with the grace and authority of a seasoned professional, but offers much more than the usual inventory of method and strategy.

An illuminating look into the cognitive processes at play when we cast theatrical and political figures--as well as everyday people--as characters

Just as a compass provides direction for an explorer, so does motivation provide direction for characters in fiction. The "compass" of character motivation is composed of four points: Lack, Yearning, Resistance, and Desire. In *The Compass of Character* you'll learn to deeply consider the key question "What does my character

want?" and learn techniques to answer that question by writing realistic and empathetic characters without falling into formulaic, unsatisfying results that only diminish the character.

Bestselling author and acclaimed writing instructor David Corbett provides writers with the essentials for building characters with motivations that range from clear to complex by exploring topics such as:

- human yearning
- pathological maneuvers
- the pain of life vs. the promise of life
- backstory and behavior
- mechanics of growth and transformation
- dramatizing mistaken desire and misbegotten yearnings
- moral arguments

The key to fascinating characters is rendering subtle inner states in straightforward external circumstances, which requires a fundamental understanding of the

simple building blocks of complex motivation as they manifest themselves in behavior, where complexity of purpose collides with the messy, indifferent world. The Compass of Character is the one book that can guide writers to that end with both instruction and inspiration.

William Esper, one of the most celebrated acting teachers of our time, takes us through his step-by-step approach to the central challenge of advanced acting work: creating and playing a character. Esper's first book, *The Actor's Art and Craft*, earned praise for describing the basics taught in his famous first-year acting class. *The Actor's Guide to Creating a Character* continues the journey. In these pages, co-author Damon DiMarco vividly re-creates Esper's

second-year course, again through the experiences of a fictional class.

Esper's training builds on Sanford Meisner's legendary exercises, a world-renowned technique that Esper further developed through his long association with Meisner and the decades he has spent training a host of distinguished actors. His approach is flexible enough to apply to any role, helping actors to create characters with truthful and compelling inner lives.

A jargon-free manual on the basics of developing interesting fictional characters Vibrant, believable characters help drive a fictional story. Along with a clever plot, well-drawn characters make us want to continue reading a novel or finish watching a movie. In *Creating Characters*, Dwight V. Swain shows how writers can invent interesting characters and improve them so that they move a story along. "The core of character," he says in chapter 1, "lies in each individual story person's ability to care about
