The Devil Inside is the second book in the Hell's Gate series. This should not be read as a standalone as it starts where the cliffhanger in Straight To Hell left off. There is violence. There is sex so 18+. The book blurb adequately describes the storyline so I'm not going to repeat that info here.

The Darvaza gas crater, also known as the Door to Hell or Gates of Hell, is a natural gas field collapsed into a cavern located in Derweze, Turkmenistan. Soviet geologists may have intentionally set it on fire to prevent the spread of methane gas, and it is thought to have been burning continuously since 1971. The gas crater has a total area of 5,350 m². Its diameter is 69 m, and its depth is 30 m. The Turkmen government hopes that the crater will become a popular tourist attraction. The surroun
