The Ethic of Time: Structures of Experience in Shakespeare ~~---~~

Personal ethics tend to be a product of beliefs, values, personality and environment, while an organisation ' s ethics must be instilled by its culture and leadership. Ethical failure in an organisation can often be the result of poor promotion of ethical practices by managers, as an individual ' s ethics become subsumed among the wider non-observance of professional ethics .

Structured Interview Structured Interview . A structured interview is a quantitative research method where the interviewer a set of prepared closed-ended questions in the form of an interview schedule, which he/she reads out exactly as worded.. Interviews schedules have a standardized format which means the same questions are asked to each interviewee in the same order (see Fig. 1).
