The Journey to the East (Die Morgenlandfahrt) (1932) is a novella, written as a preliminary study to his final masterpiece, The Glass Bead Game, shortly after which he was awarded the Nobel Prize in Literature in 1946. Narrated by H.H., it is the tale of a philosophical sect called the League comprising writers, musicians and artists, who travel through space and time, meeting illustrious personages both imaginary and real—including Plato, Mozart, Paul Klee, Baudelaire—in search of the ...

Hermann Hesse's novels are great, mythic structures dealing with the ultimate questions of life. Hesse's work is a continuing dialogue with himself. The Journey to the East is the story of a youthful pilgrimage that seemingly failed. As the book opens, the narrator is engaged in writing the chronicle of this remembered adventure—the central experience of his youth.

Hesse, Hermann - The Journey to the East PDF eBook Download

Born in 1877 in Calw, on the edge of the Black Forest, HERMANN HESSE. was brought up in a missionary household where it was assumed that he would study for the ministry. Hesse's religious crisis (which is often recorded in his novels) led to his fleeing from the Maulbronn seminary in 1891, an unsuccessful cure by a well-known theologian and faith healer, and an attempted suicide.

Hesse, Hermann - The Journey to the East v3

Hermann Hesse was born in Calw in the Black Forest on July 2, 1877, and from an early age was obsessed with the mystery of existence and humanity's place in the Universe. The Journey to the East is Hesse's tale of inner pilgrimage, an allegory on human desire for enlightenment and the long road that must be traveled to that ultimate goal.

The hero, a German choirmaster recalls an unfruitful pilgrimage to the East during his youth and begins to realize its hidden spiritual meanings. Reprint.

"A great writer . . . complex, subtle, allusive." – New York Times Book Review In simple, mesmerizing prose, Hermann Hesse's Journey to the East tells of a journey both geographic and spiritual. H.H., a German choirmaster, is invited on an expedition with the League, a secret society whose members include Paul Klee, Mozart, and Albertus Magnus. The participants traverse both space and time, encountering Noah's Ark in Zurich and Don Quixote at Bremgarten. The pilgrims' ultimate destination is the East, the "Home of the Light," where they

expect to find spiritual renewal. Yet the harmony that ruled at the outset of the trip soon degenerates into open conflict. Each traveler finds the rest of the group intolerable and heads off in his own direction, with H.H. bitterly blaming the others for the failure of the journey. It is only long after the trip, while poring over records in the League archives, that H.H. discovers his own role in the dissolution of the group, and the ominous significance of the journey itself.

"The story of a pilgrimage which apparently fails"--Cover.

Siddhartha (first published in 1922) is a novel based on the early life of Buddha, inspired by the author's visit to India before the First World War. The novel is about the young Brahmin Siddhartha's search for self-realization. His quest takes him from a life of decadence to asceticism, from the illusory joys of sensual love with a beautiful courtesan, and of wealth and fame, to the painful struggles with his son and the ultimate wisdom of renunciation

A collection of twenty-two fairy tales by the Nobel Prize-winning novelist, most translated into English for the first time, show the influence of German Romanticism, psychoanalysis, and Eastern religion on his development as an author.

Siddhartha is an allegorical novel by Hermann Hesse which deals with the spiritual journey of an Indian boy called Siddhartha during the time of the Buddha. The book was written in German, in a simple, yet powerful and lyrical style. It was first published in 1922, after Hesse had spent some time in India in the 1910s. The story revolves around a young man who leaves his home and family on a quest for the Truth. Embarking on a journey that takes him from the austerities of renunciation to the profligacy of wealth. That leads him through the range of human experiences from hunger and want, to passion, pleasure, pain, greed, yearning, boredom, love, despair and hope. A journey that leads finally to the river, where he gains peace and eventually wisdom. This is the story of Siddhartha as told by Nobel Laureate Hermann Hesse in his most influential work.

Full of humorous stories about gangsters, bootleggers, gamblers, and their women inhabiting New York's Broadway. A world of speakeasies and dancing girls where a gambler or bootlegger is perfectly normal and respectable in every way. Those familiar with "Guys and Dolls" know what to expect!

Hermann Hesse's voyage to the East Indies, recorded in journal entries and other writings translated into English for the first time, describes the experiences that influenced his greatest works. "I knew but few of the trees and animals that I saw around me by name, I was

Acces PDF The Journey To East Hermann Hesse

unable to read the Chinese inscriptions, and could exchange only a few words with the children, but nowhere in foreign lands have I felt so little like a foreigner and so completely enfolded by the self-existing naturalness of life's clear river as I did here." In 1911, Hermann Hesse sailed through southeastern Asian waters on a trip that would define much of his later writing. Hesse brings his unique eye to scenes such as adventures in a rickshaw, watching foreign theater performances, exploring strange floating cities on stilts, and luxuriating in the simple beauty of the lush natural landscape. Even in the doldrums of travel, he records his experience with faithful humor, wit, and sharp observation, offering a broad vision of travel in the early 1900s. With a glimpse into the workings of his mind through the pages of his journals, poems, and a short story—all translated into English for the first time—these writings describe the real-life experiences that inspired Hesse to pen his most famous works.

Of all the great Western novelists of the twentieth century, the German writer Hermann Hesse is arguably one of the most important for educationists. Paying particular attention to Hesse's last novel, *The Glass Bead Game*, and its immediate predecessor, *The Journey to the East*, this book suggests that Hesse was a man of the West who turned to the idea of 'the East' in seeking to understand himself and his society. From these later texts a rich, complex theory of educational transformation emerges. *From West to East and Back Again* examines the role of dialogue and uncertainty in the transformative process, considers utopian and ritualistic elements in Hesse's work, and explores the notion of education serving as a bridge between life and death. Hesse's novels address philosophical themes and questions of enduring significance, and this book will appeal to all who share an interest in human striving and growth.
