David Romano focuses on the Kurdish case to generally try and make sense of ethnic nationalist resurgence. In a world rent by a growing number of such conflicts, the questions posed about why, how and when such challenges to the state arise are becoming increasingly urgent. Throughout the author analyzes these questions through the lens of social movement theory, consideri.

The Kurdish nationalist struggle first emerged in the late 19th century when a unified movement demanded the establishment of a Kurdish state. Revolts occurred sporadically, but only decades after the Ottoman centralist policies of the 19th century began did the first modern Kurdish nationalist movement emerge with an uprising
