The Little Book Of Coffee

The "Little Book if Coffee Tips" certainly "is" little; they didn't lie about that, though I will say that the claim this "book" has "112" pages is misleading at best. 50 out of those 112 pages only list a number (from 1 to 50), and of the remaining 62 pages most of those 50 dealing with the "tips" are barely half filled.

The Little Shop of Coffees is an online storytelling project based on coffee cup readings. Coffee cup reading is a traditional way of fortune telling by interpreting the patterns and shapes created by coffee grounds. The way the symbols are interpreted and also the way the ritual is performed varies from country to country.
